*Thank You*  
for your purchase  
of The Fuse Box

This product was designed as  
THE Ultimate Fuse for your  
audio equipment.

**Before you begin -  
You MUST read the following**

The Fuse Box requires a very clear understanding  
that you can hurt yourself or damage your audio  
equipment unless you pay strict attention to the  
enclosed Instruction manual.

**Please do not disregard this message.**

**Your safety and your equipment is at stake.**
