

Dowel Jones

King Dome

King Dome is a series of simple spun metal and rod lights available in 3 variations. Versatile in its application, King Dome focuses on silhouette and intersecting line with the thin metal structure creating grid like formations within spaces. King Dome is characterised by its singular domes hung from trace lines of steel rod and finished in a black textural powder coat.

- 3 lengths available: Single, Double and Triple
- Standard light fitting for bulb availability
- Standard with 3 metres of cord for hanging
