

# Damselfly Global

Designs • Direct • Flowers

## **Senior Floral Designer**

**Job Type: Full-time, Temp to hire, Seasonal**

**April - November**

### **About Us -**

We believe in surrounding ourselves with practiced individuals as well as budding talent – creating a supportive team environment where imagination has no bounds and we can exercise our expertise, cultivate passion, continuously learn, and consistently thrive. We believe in fostering creativity and demystifying the intimidation of flowers through education and experience. Above all, we take pride in every petal.

### **Damselfly Global is a company encompassing three different business platforms.**

- Damselfly Designs is our floral and event design company.
- Damselfly Flowers are our brick and mortar, retail, full service and kiosk shops
- Damselfly Direct is our ecommerce platform that supports our shops through our own website, Etsy, Minted and Crayola Flowers brand.

As a team we celebrate our journey of working with multiple Fortune 500 companies, fostering relationships from CEOs to sales associates that have helped shape our success. It's not about where we've been, it's about where we're going and we'd love to invite you to be part of the ride.

### **About you -**

We're seeking a Senior Wedding Designer who's ready to bring their expertise to the table. We welcome candidates with diverse floral backgrounds and varying skill levels, however prior event experience is required. If you're passionate about turning visions into reality and eager to contribute your unique perspective to our team, this is an excellent opportunity to advance your career in the world of wedding design.

### **Responsibilities:**

- Foster collaboration by actively engaging in group settings and contributing to team efforts
- Apply floral expertise to bring unique concepts to life and enhance the overall quality of arrangements
- Demonstrate an understanding of feedback in various aspects of floral design, ensuring continuous growth and mastery of your craft

- Handle flower processing, ensuring stock is maintained and organized
- Execute designs brand accurately based on recipes provided by Creative Directors
- Execute on-site setup, including unloading trucks, arranging floral and décor elements, and on-site design
- Champion and navigate the entire execution of the wedding design process
- Tailor creative and innovative design concepts to match each client's unique style
- Manage and prioritize multiple projects simultaneously, meeting targets and exceeding client expectations
- Maintain a high level of professionalism and client satisfaction throughout the event planning and execution process
- Provide mentorship and guidance to junior team members, fostering a collaborative and creative work environment

**Requirements:**

- Prior event company experience
- Knowledge of flower names, their care, and handling
- A portfolio showcasing wedding/event design expertise
- Ability to climb ladders and lift up to 30lbs
- Comfortable standing and lifting for extended periods
- Proficient in the use of knives and/or bunch cutters
- Experience in both foam and water preferred
- Open availability, including weekends
- Ability for onsite setup

**Benefits:**

- Paid sick time
- Employee discount

**Schedule:**

- Open availability, Tuesday-Sunday
- Weekends as need
- Holidays
- Flexibility as needed

**Compensation: \$25-\$28+ per hour, based on experience**

**Work Location:** In person, Variable site locations

**Westchester County, NY 10603:** Reliably commute or plan to relocate before starting work
