*All measurements are nominal.

Dark - EAT900090E

Light - EAT900087E

Marshmallow - EAT900086E

ATTENTION: Be sure to specify the product with the proper wear rating for the specific area to be covered.

- > Before setting the tiles, verify the grade, shade & caliber numbers assuring that they are the same on all cartons.
- > Shade variation is inherent to ceramic tile. Tile should be combined from several cartons during installation to ensure proper blend.
- > Use only approved setting material recommended for ceramic tile on properly prepared floors & walls. Use expansion joints as required.

VERY IMPORTANT

Claims will not be accepted after installation
