ENGINEERED HARDWOOD FLOORING

Comal BLD600 / Cibolo BLD700

Images of wilderness and untamed beauty come to mind when we hear the word "Backlands", a fitting name for this collection of beautifully crafted engineered wood floors. Featuring the subtly rugged effect of light wire-brushing or the softly burnished smooth surface, the distinctive graining of White Oak and American Hickory are complimented by earthy tones and subtle hues. Rugged enough to last a lifetime while maintaining an aesthetically pleasing visual, the Backlands Collection of selected hardwoods is designed with durability and ease of maintenance in mind for today's busy lifestyles. Beautiful, sustainable, eco-friendly and at home in any décor.

Wood swatches displayed may not show all possible variations in natural wood characteristics. It is these naturally occurring characteristics (mineral streaks, knots, pinholes, etc.) that give each hardwood floor unique warmth and beauty. Samples are intended to be a reference for product visuals and may not represent all color, shade, pattern, and texture variations. Actual product may differ from small swatches, printed media, or digital computer images. Please visit www.stcfloors.com for full warranty details and installation guidelines. All specifications and offerings subject to change without notice.
