TRANSITIONINSTALLATION

Dimension: 2.75"w x 0.84"h

V-FSN-15₄

WATERPROOF STAIR NOSE

Used to finish the end of a step

*Overlap Installation

Apply a generous bead of construction adhesive along the underside of the stair nose.

Carefully roll the stair nose into place against the front of the step, making sure the transition is in place. Once the transition is in its desired position, press down firmly over the entire stair nose, making certain the transition is in place and tight against the riser. For added security, use finishing nails.

Let the adhesive cure according to directions.

Flooring

Subfloor

Riser

Surface: Wear resistant **Core Material:** Rigid PVC
