Empowering Your Produce Pro from Aptean Mobile Solutions

Adroit Hardware Solutions is your trusted partner in providing the latest in rugged equipment solutions for your Produce Pro WMS, production, and mobile applications. We recognize the business demands of going mobile and are here to elevate your productivity and efficiency to new heights with an array of robust devices matched to your needs.

EQUIPMENT OPTIONS

- **Handhelds:** Empower your workers with handheld devices for on-the-go data capture and real-time application updates.
- **Wearables:** Increase efficiency and hands-free operation with wearable devices that keep your workers connected and productive.
- **Vehicle Units:** Optimize logistics and material handling with rugged vehicle-mounted units designed for seamless integration with your operations.
- **Tablets:** Rugged tablets with integrated scanners allow you to work directly with the system and make immediate updates while on the operations floor.
- **Mobile Printers:** Enhance labeling and documentation tasks with mobile printers that deliver on-the-spot printing capabilities wherever you need them.

RUGGED WMS SOLUTIONS

As an **Aptean Alliance Partner**, we bring you a comprehensive portfolio of best-in-class WMS solutions tailored to your project needs. Benefit from our expertise and Aptean's cutting-edge technologies to streamline your warehouse operations seamlessly.

- Devices for Different Operations
- Rugged Devices
- Enhanced Scanning Capabilities
- Longer Lifecycle
- Business-Focused Android

PARTNERSHIPS

AHS partnered with industry leaders like Zebra, Honeywell, Datalogic, Epson, Staylinked, and Bartender to bring you the best-in-class solutions. Benefit from their expertise and innovation to achieve unmatched performance and reliability in your operations.

For a seamless integration of rugged devices, advanced scanning capabilities, and business-focused solutions tailored to your business needs, choose AHS.
