A RARE CHOICE

If you could have anything you wanted, for what would you ask?

After Solomon became King of Israel, God said, "Ask Me for anything you want, Solomon. I will give it to you!" Wow! What would Solomon say? Would he ask for money and riches, honor, fame, popularity, fun, fine food and easy living?

What Solomon asked for might surprise you. He told God that he did not know how to do such a big job. He wanted to be a good king like his father, David, but he felt like a little child and did not know how to do such a big job! He prayed, "Give thy servant an *understanding heart* to judge thy people that I may discern between good and bad." He wanted wisdom to know the truth about his people and their needs, to have compassion on them, to know right from wrong and good from evil.

1 Kings 3:5-14

God was so pleased with Solomon's unselfish request that He promised not only to give him understanding but also to give him great riches and honor. In fact, God would make him wiser and wealthier than any man who ever lived! What's more, He also promised that if Solomon would obey God's Word and walk in His way, God would give him a long life. What wonderful blessings came to Solomon because he was unselfish and wanted to do right.

God wants us to be unselfish and to do right, too. Do you have an understanding heart? Do you show kindness and help to others? Do you ask *what* is right in every situation and do it? Do you find out *who* is right in any circumstance and stand with them? It is not always easy, but God will gladly help you if you will ask Him. And He will have rewards for His children who do right and obey His Word (1 Cor. 9:25).

Proud as a Peacock

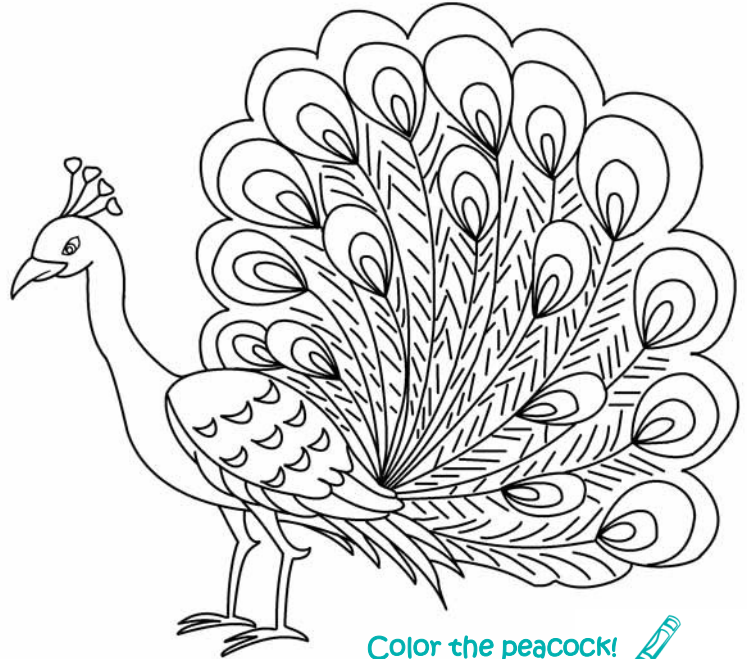

Goldilocks' bear family had Papa, Mama, and Baby Bear. The Peafowl family has Papa Peacock, Mama Peahen, and Baby Peachick. They are some of the most beautiful birds God created! Their blues, greens, golds and other colors are magnificent, and every tail feather has a bold, black "spot" surrounded by lustrous hues. A peacock is the size of a small turkey and can be six feet long from his head to the tip of his tail feathers! How he can fly with such a long tail is amazing, and when that tail stands up and spreads out into a huge fan, everybody notices, especially his mate! He really "struts his stuff!" He may strut quietly, but when he "speaks", you may run for your life! His high-pitched call sounds like someone screaming in mortal fear!

As a boy, George Washington wrote in his notebook, Rule #54 – "Play not the peacock." He was to dress modestly and neatly but not "strut" or attract attention to himself. We should not show off either but should show forth the Lord Jesus Christ.

Peacocks eat many things – grain, insects, berries, frogs, etc. They never screw up their faces and moan, "Ooh, I don't like that!" They are thankful for whatever the Lord provides.

In Bible times, peacocks were a sign of great wealth. King Solomon's huge navy went on an expedition every three years to bring him "gold, and silver, ivory, and apes, and peacocks" (1 Kgs. 10:22). But we know that "the blessing of the Lord, it maketh rich" (Prov. 10:22).

The peacock is the national bird of India and is sacred to Hindus. They believe the "spots" on the tail symbolize the eyes of the gods. They do not know the true God of the Bible who sees everything. "The eyes of the Lord are in every place, beholding the evil and the good" (Prov. 15:3). They worship the bird God created instead of the God Who created it! May we be quick to tell the Gospel story, for some have never heard!

Kidz Questions...

HOW CAN I ESCAPE THAT PENALTY?

By trusting the Lord Jesus Christ as your only Saviour. On the cross He paid the penalty for your sin. "Christ died for our sins" (1 Cor. 15:3).

WHY DID HE DO THAT?

Because God loves you. "For God so loved the world that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life" (John 3:16).
