Customer Comments

I am the Director of Customer Service with an industrial manufacturing company. I just want to complement you and Kathy on excellent service in a very efficient and personal way. Thanks.

~ J. Kraus

Thank you for your wonderful service and quick shipping to my daughter's abode, awaiting my bare feet upon my Christmas arrival. Having returned home to Boise, I find my new footwear even better than expected.

It's always somewhat frightening to shop long distance, given all the horror stories, but you are a top-notch outfit, and I will keep your catalog on file, as well as your email address and web site.

Thank you VERY much.

~ M. Parsons

I wanted to take a moment to thank you for your GREAT website. So many great shoes to choose from, some of them really hard to find in the "real" world.

~ D. Orneallas

The design of your web page is great. It is much faster and more intuitive to use than many.

~ C. Bruml

A taller top allows for increased leg protection and support. A waterproof Sympatec bootie makes this boot an excellent choice for those working in wet, sloppy conditions. For climbing, the dual steel shanks are added to provide the extra arch support needed. Other quality features include a 7-7 1/2 oil tanned leather upper that provides support to your legs. A climber side patch, solid brass hooks and eyelets, supportive heel counter, Vibram lug sole and three rows of durable stitching help prolong the life of the boot.	D 7-12, 13 EE 7-12,13	\$371.74	US

316210	Hoffman	POWER	Hoffman Boots 10" Powerline Boots - Mens	The Hoffman Boots 10" Powerline boot is for lineman who work in warmer temperatures or for those of you who want a lightweight climbing boot with all the bells and whistles. The steel toe Hoffman Powerline offers many features found on other Hoffman line boots. A double midsole combined with our DUAL STEEL SHANKS provide plenty of climbing support. A rebuildable vibram lug sole provides excellent wear and a added climbing heel adds climbing safety. A waterproof liner will help keep you dry no matter what the weather is doing. The leather/cordura upper provides breathability to help keep you cool. A foot orthotic is included with every pair. The Powerline tends to run 1/2 large, so you may want to order 1/2 smaller than your normal boot size.	D 7-12, 13 EE 7-12,13	\$362.27	US
316210	La Sportiva	199	Solution -Climbing Shoe	» See a 360 View... SOLUTION A high performance shoe purposely built to provide the solution for modern bouldering problems Wrapped in sticky Vibram® XS Grip rubber and drastically down-turned, the Solution sports a molded 3D heel cup and the patented P3® power platform which retains the downturned shape of the shoe. This creates a shoe that hooks, grabs, edges and smears on any feature you can find. The Lock Harness System® surrounds your foot and wedges it to the upper for a perfect fit. The highly adjustable Fast Lacing System® lets you tailor the quick closing hook and loop closure for a highly personalized fit. All said and done, this shoe will let you climb harder. 316210	La Sportiva	861	TC Pro - Climbing Shoe	The ultimate technical big wall free climbing shoe developed in collaboration with Tommy Caldwell Designed to provide powerful, technical edging AND crack climbing prowess without compromising either. This game changing, mid-height edging machine will take you out of a technical thin hands to rattley fingers crack and out on to the diciest dime edges you can find. Thin padding in the ankle and above the toes protects you in the cracks and the patented P3® platform delivers sensitive yet powerful edging abilities. The toes flat fit is perfect for comfortable crack climbing and the ventilated tongue and lateral rand perforations promote air-flow. We worked with Vibram® on a new rubber compound that works best for technical edging and developed the XS Edge compound which holds an edge better on sharp micro edges.
