

Storie™ LOOKBOOK 2017

OUR STORIE

We believe junior golfers deserve the best quality, fit, and performance.

Storie Apparel was founded by junior golf parents who saw a need for relevant clothing in the game and developed serious performance golf apparel for junior girls. Every detail of the Storie Apparel line is intentional – from technical fabric and design, to stitching and fit. The result is a collection of shirts, skorts, shorts, outerwear and accessories that set a new standard of performance. The clothing fades into the background as confidence, dedication, and personal bests take center stage. The designs are intentionally crafted to let the athlete shine, not the clothing. After all, it's her determination and drive that you love to cheer on, not her outfit.

YOUR STORIE STARTS HERE

POLOS

Be calm, cool, and collected as you step onto the course. Our fresh take on the golf polo punches up the fun. CoolSkin or Ice fabric pairs off in perfect harmony to give athletes a duo of performance and quality. Made of 2 way and 4 way stretch fabric, which pulls sweat away from the skin super-fast, and the anti-microbial technology keeps the fabric fresher longer. These flattering shirts were made with junior girls in mind, so the fit is precisely proportionate.

SLEEVELESS

The sleeveless sister of the Confident Polo, this extra-cool top is made of CoolSkin or Ice. Athletes perform at their maximum potential as moisture is kept at bay (even in sweltering heat). Our stylists took extra care to craft a high quality polo that fits junior girls just right.
