MOMMY MUST-HAVE

Kits for kids

Small enough to fit in any bag, these portable first aid kits are perfect for taking care of scrapes and bumps when you're out and about. Even better, all ME4KIDZ products are made from recycled, lead-free plastic and come with latex-free bandages. Dr. Mom to the rescue! **ME4KIDZ \$5**

Crush of the MONTH

Hair care for your half-pint

Though some babes are born bald and beautiful, some boast luscious locks right from the start. This line of natural, organic hair products does everything for your munchkin's mane, from detangling to conditioning to styling. **Hot Tot from \$13**

Try, try again

Only 25 percent of couples actively trying to conceive will get pregnant within the hopeful mom's first cycle.

Prenatal perceptions

A researcher at the University of Missouri recently found that men process pregnancy-related issues—including family problems, preparing for change and feeling overwhelmed—as financial stressors, whereas women consider them emotional stressors. Keeping these differences in mind will be beneficial as you and your partner support each other in your parenthood preparations.
