mugged on her way to church. The same attacker is also suspected of beating and mugging 85-year-old Solange Elizee just a half hour later.

The following question was posed on March 14th on the AOL.com website: "New York may make an assault on anyone over 70 a felony. Your view?" With more than 116,000 votes in less than one day, 93 percent of the respondents think the legislation is a good idea.

"Preying on the elderly is despicable and those who took the poll resoundingly agree with my colleagues and me," Padavan noted. "It sickens me that anyone would want to assault someone who physically can't fight back, and our legislation will severely increase penalties on these cowardly delinquents."

## First Aid Emergency Kit for Kids

By Madelyn Stein

Parents and grandparents, be prepared the next time your little one gets a boo-boo. Their Medibag from Me 4 Kidz includes 117 first aid supplies, such as a first aid flip chart. Instead of looking through your house for bandages, anti-septic wipes, sting pads and other items you might need, you now have them all in one place.

Items are packaged in a red child-friendly doctor bag, with a sticker on the front for the child's name, and includes stickers to make them smile when they are frightened and hurt.

to one year in prison. In both of the muggings in Queens, the attacker could also face additional charges associated with the theft of property.

The legislation announced today would make it a class D or class E violent felony to assault any senior over the age of 70. The bill will also make it a class D or class E violent felony to assault someone age 60 or older who suffers from a disease or infirmity associated with advanced age. A class D violent felony conviction carries a potential penalty of up to 7 years in prison, while a class E felony conviction carries a potential penalty of up to 4 years in prison. As violent felony offenses, these crimes carry determinate sentences and the perpetrators will not be eligible for parole.

Medibag retails for about \$19.95, and can be purchased locally at Buy Buy Baby, or for a list of online stores visit [www.me4kidz.com](http://www.me4kidz.com).
