

Please draw, write and explain your keyboard layout below and upload a scan/photo when you're finished. Thanks! :)

A grid of 100 empty rectangular boxes arranged in 7 rows and 14 columns. The boxes are intended for drawing a keyboard layout. The layout is roughly as follows:

- Row 1: 14 small boxes.
- Row 2: 14 boxes, with the last one being wider than the others.
- Row 3: 14 boxes, with the first one being wider than the others.
- Row 4: 14 boxes, with the first one containing a small circle and the 5th and 8th boxes containing a small horizontal dash.
- Row 5: 14 boxes, with the first one being wider than the others.
- Row 6: 14 boxes, with the 5th box being significantly wider than the others.
- Row 7: 14 boxes, with the 13th and 14th boxes stacked vertically.
