## Texas High Plains

### “Opening Ceremony” Rosé (of Merlot)

The Austin Winery handcrafts small-lot wines sourced from a careful selection of the finest vineyards in Texas, California, & Washington. Working directly with the growers in each particular region allows us to showcase a range of terroir-driven wines.

This provençal-style Rosé was made with a saignée method (free run juice), without skin contact, in order to extract soft, pale pink color and maintain crisp aromatics. We added a touch of Trebbiano, Roussane, & Albariño from the same vineyard to create a balance of zesty citric acid with the soft, smooth red fruit of the Merlot.

This Rosé is the first wine of the 2015 vintage to be released, and therefore represents the “Opening Ceremony” of this vintage progression.

Production: 108 cases.
