Montageanleitung für kleine Wandleuchte

7. Schirm mit Ring festmachen	8. Höhe des Schirms mit Gewindestift anpassen
 <p>The diagram illustrates the process of attaching the lamp shade to the mounting ring. It shows a conical lamp shade, a mounting ring with a curved arm, and a screw-in cap. The shade is being pushed onto the ring, and the cap is being inserted into the top of the shade to secure it.</p>	 <p>The diagram shows the lamp shade mounted on the wall. A screw is being used to adjust the height of the shade by tightening or loosening the mounting ring. The screw is shown passing through the top of the shade and into the mounting ring.</p>
