

*Foreword*

Volume 5 of *Practice With Bach* is a continuation of my idea of making études from the keyboard works of Johann Sebastian Bach. These 24 studies are from the Six English Suites (BWV 806-811).

Two general tempo suggestions are given—*Moderato* and *Lento*. *Moderato* can mean any speed from moderate to fast. *Lento* implies a slower pulse. The études work well at many different speeds, so please experiment. Articulations are mine (with help from Glenn Gould). Dynamics are not indicated because many different sound levels can (and should) be explored. Additionally, playing these studies on the tenor trombone will be excellent practice for the low register.

I would suggest always playing with a full tone and letting the dynamic rise and fall naturally with the musical phrase. Although not intended for public performance, I hope that you will find these études technically challenging and musically rewarding.

The musical score consists of three staves of music in bass clef, 3/4 time, and B-flat major. The first staff begins with a treble clef and a '1.' marking. The music features a variety of rhythmic patterns, including eighth and sixteenth notes, and rests. The second staff continues the melodic line with similar rhythmic complexity. The third staff concludes the piece with a final cadence and a fermata over the final note.
