“

I'd rather pay retail for IQed than any other product I have wholesale access to anywhere in the world, especially for my family. Nothing else even compares!

-Kelly Haars

Haars Health Food Store, New Jersey

”

“

With the positive impact I've seen, the whole food nutrition from IQed is something I want my family, especially my boys, to have daily!

-Lisa Geng

Successful author, philanthropist and creator/founder IQed Smart Nutrition

IQed™ SMART NUTRITION

Feed yourself and your family the most nutritious food on the planet!

IQed is superior to anything like it on the market offering a rich blend of all of the essential amino acids, ayurvedic botanicals including turmeric, and Omega 3s which together can deliciously help support brain and metabolic health.

Let's face it, life is busy. Fortunately a healthy meal doesn't have to take a lot of time. Start the day smart in minutes with all-natural IQed™.

Made with real whole food ingredients that provide an easy, quick, all-in-one nutritious way to feed yourself or your family at home, or on the go! IQed™ offers the nutritional potential to stand alone as a meal and vitamin replacement for adults or children, or it can also be used as a healthy meal supplement.

IQed™ Smart Nutrition is the intelligent way to nourish your brain and body

All ingredients in IQed™, are certified as food and tested free of heavy metals, hormones, pesticides, herbicides, stimulants, preservatives, genetically modified ingredients, and contaminants.

Sustainable Nutrition Just Got a Whole Lot Easier

"I use and recommend IQed™—Dr. Thomas, MD Internal Medicine

IQed™ contains a synergistic blend of essential nutrients that are important for supporting metabolic function, assisting with gentle detoxification of the body, and sustaining balanced energy levels throughout day.

Picky eaters, parents and kids on the go, or anyone in your family, can enjoy delicious IQed™ in place of, or as a supplement to meals, ensuring everyone has easy access to their much needed daily essential vitamins and nutrients.

All natural IQed™ is whole food nutrition that provides, per serving, over 22 key natural vitamins and minerals, soluble fiber, Omega-3's, and all the essential amino acids from, natural and casein free, whey isolate protein.

All natural IQed™ is pharmaceutical grade, GF, lacto-vegetarian, and contains a premier blend of nutritious, high potency foods that have been researched and sourced from Eastern and Western cultures.

All natural IQed™ is manufactured under NSF-certified Good Manufacturing Practices at an FDA-inspected facility in the United States. These standards ensure that all ingredients used in the product are pure and uncontaminated and the final product contains the exact food certified ingredients and strength designated in a stable form.
