

100-1 Cleanroom Series Technical Specifications

PROPERTY	SPECS
Material	100% nitrile rubber foam
Cleanroom Certification	Class 5 (ISO-5)
Durometer	Shore C: 16.5 Soft to medium-soft
Slip Resistance	National Floor Safety Institute Certified for "High Traction"
Antimicrobial	100%
Temperature Durability (°C)	~200 degrees within 1 minute
Elongation (%)	300 ~ 500
Tensile Strength (kg/cm ²)	11
Tear Strength (kg/cm)	4.1
Chemical Resistance	Impervious
Liquid Resistance	Impervious
Warranty	2-year full replacement
