Tarik Upih

Tarik upih is a kind of children's game played by children in several ASEAN countries. Upih pinang is the frond/"base" of the leaves of the Pinang tree. The betel leaves from the fronds will be removed and used as upstream or a place to pull the upih. This upih must be played with two or more people. One must be the puller and the other sitting on the upih. The upih can be ridden by one, two, or any number as long as it fits and depends on the size of the upih that falls.

Bola Beracon

Bola Beracon or better known internationally as Dodge Ball. It is a game in which players on two teams try to throw balls at each other while avoiding being hit themselves. Generally the main objective of each team is to eliminate all members of the opposing team by hitting them with thrown balls, catching the ball from the opposite team or leading the opponent team player out of bound.
