

MAD ABOUT CAKES

EDIBLE IMAGE FAQ

CAKE WRAPS

- Take cake art to the next level with our cake wraps!
- Send us any image which we can resize, print and laser cut to fit any sized or shaped cake.
- Simply peel and stick to tacky (with water) fondant cakes.
- Mount to fondant to wrap around buttercream cakes.
- At least 3 x A3 pages are required to wrap 6" and 7" one tier cakes including a round shape for the top.

MOUNTED

- Personalise or brand any dessert with our laser cut toppers!
- Send us any image or logo which we can custom size, print and cut to suit your dessert or cake.
- Pressed for time? We can mount each image on fondant for you so all you need to do is apply the finishing touches!
- Mounting cost quoted by size and quantity.

LASER CUT

- Make your cookies memorable (and delicious) with our laser cut edible images!
- Custom cut any logo or image to any shape or size.
- Simply peel and stick to tacky (with water) fondant.
- We recommend you send us your image first so we can make a custom outline of the image to send to a cookie cutter creator.
