

HAUSER

North America's leader in high quality commercial furniture and custom manufacturing.

Established in 1949, Hauser Industries is the leading manufacturer of commercial furniture and amenities for both interior and exterior applications. From food court to streetscape, Hauser's solutions are engineered and manufactured to exceed the requirements for extended use in a wide range of public environments.

Our flexible design and custom manufacturing solutions meet the demands of the most complex projects and discerning customer requirements. Three generations of hands-on Hauser expertise and 150,000 sq ft of state-of-the-art manufacturing facilities ensure your Hauser furniture exceeds your expectations for dependability and durability.

After six decades of continuous improvement, the Hauser brand stands above the rest for quality, value and integrity. Each and every day we strive to exceed the expectations of our customers through unparalleled service, insightful product design, and superior performance.

Your satisfaction is our priority.
