

Thin Leading Edge (TLE®), the latest edition to our concrete range, isn't just our new concrete tile, it's part of a whole concrete tiling system.

Sandtoft's concrete range is more comprehensive than you might think, in fact it isn't just a range of quality tiles, it is a complete tiling system.*

We can provide the underlay, DryFix, ventilation, fittings, all the training you need, free roof surveys and dedicated account support, what's more, if you purchase the whole system from Sandtoft, we will provide a 15 year guarantee.†

Concrete has never been more alive.

The new TLE® tile:

- One of the thinnest leading edges on the market
- TLE gives a slate like appearance and offers all the benefits of a modern interlocking design
- Performs down to 17.5° †
- 9.5 tiles per m²
