Nails	aluminium alloy 45 mm long, 3.35 mm diameter (BS 1202)

## ROOF DETAILS

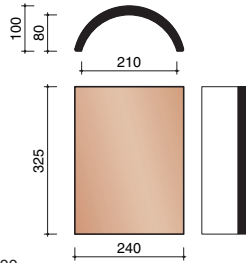

This document does not imply a contract. The colours used in this folder show the natural tint of our clay roof tiles subject to the limitations of the printing process. As clay roof tiles are natural materials, slight variations in colour may occur between batches of tiles, we recommend that they should be taken from several pallets at the same time and mixed at random on the roof. Wienerberger reserves the right to alter the range and the technical data. Dimensions are approximate.

## RIDGES AND HIP TILES

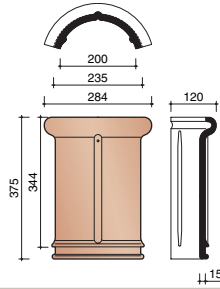

210 mm half round ridge  
(3 pce/lm)

Ref. No. 3300

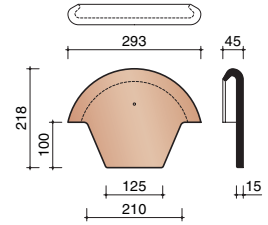

Interlocking half round ridge and hip

Ref. No. 1000

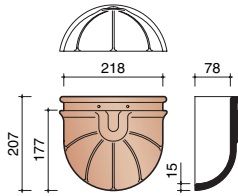

200 mm block end ridge

Ref. No. 1040

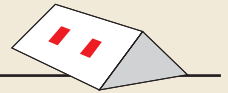

200 mm half round begin hip

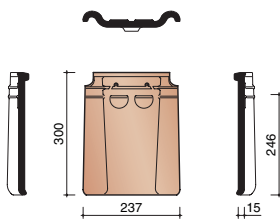

Ref. No. 1060
