Apollo MFG is the world's leading innovator, manufacturer and distributor of gobos. We have created over 2.5 million gobos and we maintain a collection of over 3,400 + gobo patterns.

We have an equally strong commitment to helping the earth stay clean. Since 2009, our gobos have been produced using a clean laser manufacturing process that eliminates over 1 oz. of toxic chemical waste per gobo.

The 2023 collection of new gobos can be found on the following pages.
