

CAKE JAR PACKAGING

My cake jars are packaged in 8 oz. food-safe plastic containers (see below). I also use a 70 mm seal that I place on the jar before attaching the lid.

If you need cake jar recipes or information on the making and selling cake jars, please refer to my [Best Seller's for the Home Baker Digital Cookbook](#) or join my [Pink Plan](#). I also always provide my [Semi-Scratch White Cake](#) recipe for free. Hope that helps!
