## PRIVATE TOURS

If you'd like to plan a bespoke Private Tour of the vineyard and winery followed by a tasting of our wines, we'd love to host you at Flint. Our Private Tours are just that, you and your guests will be led through the vineyards and winery and immersed into all the magical aspects of winemaking. Oli or Dan will explain the processes in as much detail as you wish from pruning through to harvest, winemaking and bottling.

You can also request a Private Tour with winemaker Ben and delve deeper into his winemaking background and expertise. A fantastic opportunity to understand the philosophy of Flint Vineyard firsthand from the establishing winemaker.

You're more than welcome to book lunch, too. Before or after your tour we offer our popular 15-Mile Lunch: a casual tapas style sharing plate of local charcuterie, cheese, medlar jelly and sourdough bread.

You can enjoy a glass of wine while you're here. Our cellar door serves our wines by the glass or bottle, available to order on the day.
