while your wireless earbuds charge away in a convenient Qi-charging cradle. Detach the included USB-C Apple Watch Charger to stay charged on the go!

Elevate Your Desk & Bedside Table Setup

Reclaim your desk or nightstand and peace of mind by charging all your daily devices with a single USB-C cable, all in a stylish, minimalist dock designed to showcase your devices.

Portrait Or Landscape

Rotate your phone from portrait to landscape in seconds to watch YouTube videos, scroll through the news or your emails, or flick through TikTok.

Qi Charging Cradle

The dock's custom charging cradle makes it easy to align your wireless earbud case for charging. Perfectly fits your Apple Airpods, Samsung Galaxy Buds and Google Pixel earbuds Pro. If you'd prefer, you can use this Qi-charger to charge a second phone.

Detachable Apple Watch Charger

Less than 4cm long, the detachable USB-C Apple Watch Charger makes a great travel companion.

No MagSafe? No Problem!

Take advantage of magnetic charging by attaching the included Magnetic Support ring to your Qi-compatible Android phone or iPhone 8-11. Then charging is as easy as snapping on!
