Compatible with MagSafe and Qi-charging phones, this pocket-sized power bank's battery has enough power to quickly and safely recharge your phone, earbuds and smartwatch from 0-100%. USB-C output lets you charge two devices at once, or help out a friend who hasn't upgraded to wireless charging.

The Heart of the Matrix Charging Ecosystem

Unlock additional features by pairing the Matrix Power Bank with other Matrix chargers.

Recharge your Matrix Power Bank by seamlessly sliding it into a Matrix Charging Dock or Matrix Car Mount.

Or for a quick recharge on the go, you can plug the Matrix USB-C Apple Watch Charger directly into your power bank and recharge your Apple Watch without a single cable.
