skincare routine with*

THE ESSENCE

Unlock the secret to a glowing complexion.

This luxurious skin elixir is infused with nutrient-dense Alpine Organics, moisture-locking humectants, and Luzern's proprietary MFC Multi-Fermentation Complex.™ With its fast-penetrating formula, this weightless elixir delivers intense nourishment to your skin, restoring moisture, elasticity, and radiance and preparing it for the best results for the products that follow.

1. EXTEND:

More than just a facial mist – Include and infuse The Essence onto your neck, décolletage, hands, elbows, knees, legs, and hair to improve skin texture, reduce fine lines, and hydrate.

2. MIX:

Mix a few drops of The Essence into your mask or facial oil for an extra boost of hydration.

3. LAYER:

Use the layering method and apply The Essence after cleansing, before serum and /or moisturizer to maximize the hydrating benefits.
