# *WELCOME*

## TO A MORE BEAUTIFUL WORLD OF BEAUTY...

Since 1999, Luzern has revolutionized luxury skincare by combining cutting-edge science with clean formulating techniques that continue to set new industry standards.

Luzern products use Swiss Alpine Organics and cosmeceutical actives, as well as cutting-edge fermentation techniques for a bespoke blend of expertly crafted formulations, meticulously curated to deliver a luxurious and refined experience for the most distinguished skincare connoisseur.

Luzern continues to develop products in collaboration with leading Estheticians and Dermatologists and has been trusted by discerning clients in the world's finest spas and resorts for over 20 years.

# BENEATH THE LID

**The Beauty is in the Details.** Luzern's artistry and attention to detail make our brand stand apart. Our unique, hand-crafted, proprietary blends are made with the most authentic organic ingredients in the Swiss Alps.

**Results.** High potency, hand harvested Swiss Alpine Extracts, and age-defying cosmeceuticals in every jar.

**Integrity.** Vegan and vegetarian formulas, Cruelty-Free certified, small, cold mixed batches, non-GMO, sustainably farmed Swiss Alpine Extracts, free from irritating additives and toxic preservatives.

**Innovation.** Powerful organic actives, probiotics, plant stem cells, peptides, and fermentation. Ongoing research and development with the latest results-driven cosmeceutical actives.

**Sustainability.** Kind to your skin, kind to the earth. Packaging from sustainably managed forests (FSC-certified), plant-based tubes, and jars and bottles from recyclable aluminum and glass.

**Giving Back.** Our Planet, People and Peace Initiative is a social impact platform dedicated to donating 3% of profits to the environment, people in need, and social causes.

# Luzern Story

Sourced in Switzerland. Clean Formulated in the USA.

## Beginnings

Growing up on three continents and graduating the same year from university in the United Kingdom, Ralph and I traveled throughout Europe to further our education and passion for the natural world.

Being raised by a professor of environmental studies and a holistic health renegade, we grew to love and admire the organic farms and the spa culture of Alpine France and Switzerland. We found an immediate connection with the area and drew our brand name, inspiration, and ingredients from the rich heritage of this region.

## Vision

Much like our life experience, we envisioned a company that would merge the best of the new and the old world, a brand that would embody American innovation with the richness of European tradition and classicism.

We brought our ideas and a small stock of Swiss extracts back home to Soho in New York City, where we set up shop. In 1999 at a small boutique spa on Madison Avenue, we launched our first product and treatments using our precious Alpine ingredients. The launch was small, but it reflected our core values and desire to prove that skincare could be clean, beautiful and deliver exceptional results.

## Uncharted territory

As outsiders in the beauty industry, we quickly noticed three things, most of which still stand true today; skincare brands tended to use low levels of active ingredients, they relied on formulating practices that were heavy in chemical additives, and they put more money into marketing than into product quality.

Entering this uncharted territory was a big challenge, but like most challenges, it only strengthened our values and commitment to our bigger vision.

## Today

Since its 1999 launch in that small Madison Avenue spa, Crème Force De Vie has become the world's most iconic clean beauty crème. Today Luzern can be found in the finest hotels and resorts in the world, providing beautifully simple yet transformative treatments to tens of thousands of spa clients each year.

Our spa heritage and loyal following has been our biggest honor and our greatest inspiration. Working closely with master estheticians and dermatologists, we have succeeded in maintaining an "open formulating" policy that allows us to develop products and treatments that cater to the needs of each individual client, while making ongoing formulating advances in the ever-progressing field of beauty.

## OUR STANDARDS

Our signature icons highlight our commitment to luxuriously pure, clean, and effective skincare and can be found on the outside of every Luzern box.

## CLEAN BEAUTY

Using organic ingredients and eliminating parabens is just the beginning of formulating clean. Luzern products are free from additives that can cause skin inflammation and can even contribute to the aging of the skin.

### SOME OF OUR NO LIST:

- NO Triclosan
- NO Hydroquinone
- NO TEA/DEA/MEA
- NO Denatured Alcohol
- NO Chemical Sunscreens
- NO Phthalates and Sulfates
- NO Parabens or Formaldehyde
- NO Mineral Oils and Petrolatum
- NO Propylene and Butylene Glycol
- NO Colors, Dyes, and Synthetic Fragrances

**SWISS  
ALPINE  
ORGANICS**

## SWISS ALPINE ORGANICS

For over 20 years, Luzern has sourced sustainably-harvested, Swiss Alpine Organics from small agricultural cooperatives in the pristine Swiss canton of Valais. These are indeed the “Gold Standard” of organic ingredients.

Swiss Alpine Ingredients are derived from organically grown plants living in extremely harsh conditions. Due to their beautiful but extreme habitat, these precious plants produce extraordinarily high levels of nutrients necessary for their survival in these harsh conditions. These remarkable and precious extracts are infused into every Luzern formula.

### OUR MOST LOVED ALPINE EXTRACTS:

- Edelweiss Flower
- Glacier Willowherb
- Primula Veris Flower Extract
- Artemisia Umbelliformis Flower Extract
- Buddleja Davidii (Butterfly Bush) Leaf Extract
- Veronica Officinalis Flower/Leaf/Stem Extract
- Thymus Vulgaris (Thyme) Flower/Leaf Extract
- Malva Sylvestris (Mallow) Flower/Leaf/Stem Extract

**RESULTS-DRIVEN  
COSMECEUTICALS**

## COSMECEUTICAL ACTIVES

Our ingredients are chosen for their ability to help transform the condition of skin without compromising your health and safety.

Safe and scientifically tested cosmeceuticals that work synergistically with our Alpine extracts. We pack our formulas with these cosmeceuticals for optimal results and ensure every small batch is traceable back to when it is produced. You can find your batch number on the bottom of every jar.

### SOME OF OUR MORE EFFECTIVE COSMECEUTICALS:

- Peptides
- Retinoids
- Vitamin C
- Ceramides
- Niacinamide
- Co-Enzyme Q10
- Multi-Weight Hyaluronic Acid
- Vegan Collagen and Plant Stem Cells
- Alpha Hydroxy Acids (AHAs), Beta Hydroxy Acids (BHAs), and Polyhydroxy Acids (PHAs)

**SWISS WATER  
EXTRACTED  
ACTIVES**

## SWISS ALPINE WATER

In the heart of the Swiss Alps, in a pristine environment of snowy mountains Swiss Alpine Water begins its journey.

It is filtered and naturally enriched with an abundance of trace elements as it seeps slowly through layers of rock and stone.

Many years later, this precious water flows out of the ground into artesian wells where it is sustainably collected and used in the delicate cleaning and processing of the Alpine extracts used in every Luzern formula.

### WHAT MAKES SWISS ALPINE WATER SPECIAL:

- Mineral Rich
- Naturally Pure
- Energetically Vital

## **SMALL BATCH COLD MIXED**

### **SMALL BATCH COLD FORMULATED**

Mixed in small batches at low temperatures, Luzern minimizes heat damage to vital actives to ensure that every ingredient is fresh and at its most potent.

This approach is central to producing formulas that deliver bio-active nutrients with an unparalleled ability to provide exceptional visible results.

#### **WHAT MAKES SMALL BATCH SPECIAL:**

Small batch mixing allows us to eliminate common synthetic preservatives, neutralizers, and chelating agents such as:

- Tetrasodium
- Disodium EDTA
- EDTA, MEA, DEA, TEA
- Parabens or other formaldehyde donors

## SUSTAINABLE PACKAGING

### LUZERN'S SUSTAINABILITY

Environmental sustainability and a green philosophy are guiding principles in the development of all Luzern products.

#### We pride ourselves on our commitment to the environment

- Leaping Bunny Certified
- Vegetarian and Vegan Formulas
- Low-impact, eco-friendly glass bottles
- 1% of all profits to environmental preservation
- Biodegradable packing materials where possible
- Organic ingredients grown with respect for the earth and its inhabitants
- Retail carton materials from sustainably managed forests (Forest Stewardship Council Certified)

# FORCE DE VIE

*The Anti-aging Moisturizers  
that Inspired a Cult Following*

# Luzern's Multi Fermentation Complex

MFC Complex is a proprietary blend of innovative actives chosen for their unrivaled ability to restore these skin-vital elements. Skin needs oxygen, energy, and moisture to maintain a firm, fresh, youthful-looking complexion. These life-giving substances are lost over time through age and environmental damage.

Achieved through advanced fermentation technology, Luzern's unrivaled ability to restore these skin-vital elements. Oxygen, energy, and hydration are amplified. **The life force is renewed.**

# Luzern's Multi Fermentation Complex

## **SKIN-VITAL OXYGEN: Biodynes TRF**

(*SACCHAROMYCES LYSATE EXTRACT*)

A cell-derived mitochondrial respiration activator which is derived from *Saccharomyces Lysate*, often referred to as Tissue Respiratory Factor. Without proper levels of oxygen, skin loses its tone and radiance. Recent studies showed that it acts as an antiaging compound due to its collagen synthesis promoting effect. This oxygen-optimizing ingredient helps breathe new life into dull-looking skin to:

- ✓ evens out tone
- ✓ improve the feel of elasticity
- ✓ restore luminosity

## **SKIN-VITAL ENERGY: Co-Enzyme Q10**

The powerhouse of skin's anti-aging activity, this super vitamin-like molecule delivers an energy infusion essential for skin to maintain a look of youthful vibrance:

- ✓ helps protect skin from environmental stressors
- ✓ recharges fatigued skin
- ✓ reduces the appearance of lines and wrinkles

## **SKIN-VITAL HYDRATION: Hyaluronic Acid**

Found naturally in skin, capable of binding over one thousand times its weight in water. As we age the production of hyaluronic acid, along with collagen and elastin, decreases resulting in a loss of volume, hydration and plumpness. Replacing hyaluronic acid helps:

- ✓ rehydrate skin's upper layers
- ✓ imparts a smoother, firmer, more lifted appearance

## WEIGHTLESS + ABSORBING + COMFORTING

- ✓ Wrinkles and fine lines appear diminished.
- ✓ Skin feels instantly smoother and firmer.
- ✓ Hydrates and helps rebalance the skin's moisture barrier.

An intensely moisturizing formula that restores and nourishes dry, devitalized skin. This age-defying lotion melts into your skin with just a touch, sealing in moisture and leaving behind a radiant, dewy glow.

## What Powers It

**Multi-Fermentation Oxygen Complex** Powered by Biodynes TRF, this essential ingredient breathes new life into your skin, enhancing cell oxygenation and promoting improved renewal and proliferation.

**Swiss Glacier Willowherb** An organic prebiotic derived from a rare alpine plant, ideal for encouraging balance in enlarged pores, oily, sensitive, and acne-prone skin.

**Amorphophallus Konjac Root** Distributes natural oil droplets evenly along the skin's surface, minimizing the appearance of surface oil leaving the skin feeling more balanced.

**Vitamin C**, a crucial component in any skincare routine, acts as the backbone of your skin by reinforcing the collagen framework, helping to maintain a robust and healthy dermis, resulting in visibly plumper, smoother skin and a radiant glow.

**Natural Moisture Factors, Panthenol, and Lipids** provide skin with a powerful thirst-quenching drink of moisture. This dynamic trio act as guardians of skin hydration, slowing moisture loss by replenishing the skin's barrier, and boosting hydration levels. Skin looks more balanced, youthful, dewy.

## REJUVENATING + HYDRATING + REFRESHING

- ✓ Provides an immediate sensation of firmness and toning, enhancing the skin's overall appearance.
- ✓ Softens the appearance of fine lines and wrinkles, promoting a smoother and more youthful complexion.
- ✓ Assists in reducing the appearance of puffiness, contributing to a refreshed and rejuvenated look.
- ✓ Diminishes the visibility of dark circles, promoting a brighter and more revitalized under-eye area

Our transformative 360 Eye Contour Creme features a refreshing cooling application tip. This advanced formula synergizes Luzern's Multi Fermentation Complex with potent actives and intense hydration.

Unleash the power of age defiance as our eye cream works wonders, visibly diminishing the appearance of crow's feet, banishing puffiness, and revealing a lifted, firmer, and luminous eye area.

## What Powers It

**Multi-Fermentation Oxygen Complex** is a fast-penetrating, powerful broth of naturally occurring peptides, enzymes, hyaluronic acid, probiotics, and vitamins. Fermentation enhances the power of ingredients, increasing their bioavailability and affinity with the skin, creating a cocktail of actives with a super-charged ability to transform the beauty of your skin.

**Coffea Arabica (Coffee) Seed Extract:** Known for its antioxidant properties and potential benefits in reducing puffiness and dark circles. Acts as a metabolic stimulant that aids in promoting circulation and ingredient assimilation. Anti-inflammatory, caffeine-rich coffee de-puffs while increasing circulation to brighten dark circles. Promotes lipolysis (breakdown of stored fat).

**Palmitoyl Tripeptide-5** mimics the skin's mechanism to boost collagen production and improve cellular cohesion and elasticity.

**Hyaluronic Acid, Sodium PCA, and L-Argine** help to keep skin hydrated while reducing the appearance of fine lines and giving a firmer feel to skin.

**Lipids and Ceramides** slow down moisture loss, repair barrier function, and re-balance hydration levels

**Swiss Alpine Extracts:** Contain potent antioxidants that defend the skin against environmental damage, promoting a more youthful and radiant complexion.

## EYE CONTOUR CRÈME

### How to use it

1. Dispense a small amount of the eye creme onto the applicator tip or your finger. Then, gently glide the applicator along the under-eye area, allowing the cooling sensation to soothe and depuff. ## HYDRATING + NOURISHING + PROTECTIVE

- ✓ Provides deep hydration and nourishment, resulting in more radiant and revitalized skin.
- ✓ Delivers a firming and softening effect, leaving hands feeling supple, firmer, and more youthful.
- ✓ Shields delicate skin on the hands from visible signs of aging, promoting a youthful and healthy appearance.
- ✓ Formulated to be computer-friendly, the non-residue formula absorbs quickly without leaving any greasy or sticky residue.

This revolutionary hand creme is unique in its ability to intensely hydrate and help to restore moisture without leaving residue on the hands. The addition of age-defying actives such as Pure Oxygen, Vitamin C, and Licorice roots help brighten and diminish the look of uneven tone and protect from the signs of aging due to environmental stressors, which can age the delicate skin on the hands.

**V15:** Potent vitamin C and trace mineral complex deliver powerful brightening, protective and fortifying benefits.

**THE SUBLIME OIL:** Nourishing lightweight oil restores luminosity and delivers vital nutrients.

# REHYDRATE

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Acne + Aging Skin + Preventative + Dehydration + Compromised

**pH:** 5

**TEXTURE:** Lightweight + Liquid Gel

**SCENT:** Formulated without fragrance

## HYDRATING + NOURISHING + SOOTHING

- ✓ Replenishes the lipid barrier, preventing moisture loss and promoting a healthy skin barrier.
- ✓ Plumps and hydrates dehydrated skin, restoring its moisture balance and promoting a supple appearance.
- ✓ Provides long-lasting moisture to combination and dehydrated skin without leaving an oily residue.

### REVITALIZES AND TARGETS VISIBLE SIGNS OF DEHYDRATION AND DRYNESS

A lightweight, fast-absorbing serum for dry skin. This dual-action formula delivers powerhouse levels of low molecular weight hyaluronic acid and panthenol, quickly helping to boost the skin's hydration levels. Niacinamide and lipids help plump dehydrated skin while aiding in replenishing vital moisture.

## What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**Hyaluronic Acid (High-Molecular Weight)** helps to keep skin hydrated and smooth by holding up to 1,000 times its weight in water in the upper layers of the skin.

**Hyaluronic Acid (Low-Molecular-Weight)** deeply penetrates to improve the skin's visco-elastic properties and provides a significant internal hydration reservoir.

**Mallow Extract**, rich in polysaccharides and tannins, provides natural moisturizing and soothing of sensitive skin.

**Panthenol (Vitamin B5)** penetrates the upper layer of the skin's surface to help smooth, plump and moisturize. It helps reduce the appearance of fine lines and makes skin feel smoother and firmer.

**Niacinamide (Vitamin B3)** increases ceramide and free fatty acid production in the skin to restore suppleness. Studies show that Niacinamide is more effective than Vaseline (petrolatum) at reducing water loss and increasing skin hydration levels.

**Phospholipids and Sphingolipids** repair the moisture barrier to reduce moisture loss.

## REHYDRATE

*How* to use it

1. On clean skin, prep skin with Hydrating Essence to ensure skin is hydrated adequately before applying serums
2. Using four to five drops, apply Serum Absolut Rehydrate and evenly sweep across the face.
3. If using multiple serums, allow each Serum to absorb into the skin before applying the next Serum. Follow with your Force De Vie moisturizer.

If irritation occurs, discontinue use immediately.

## CALMING + BALANCING + RESTORATIVE

- ✓ Visibly calms and soothes redness in the skin, promoting a more even and balanced complexion.
- ✓ Replenishes essential lipids, improving moisture retention and enhancing the skin's natural hydration barrier.
- ✓ Protects the skin from environmental stressors and strengthens its resistance, promoting a healthier and more resilient appearance.

Indulge in the soothing power of this potent formula as it effectively alleviates visible signs of sensitive skin, reducing the appearance of redness and irritation.

Delight in the synergistic benefits derived from natural Lipids, Beta-aescin, Peptides, Piperonyl Glucose, and Bio-Suisse Extracts, working harmoniously to restore balance.

Observe the remarkable transformation as your skin emerges calmer and healthier and exudes radiant beauty with diminished redness and heightened resilience.

## What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**Alpha-glucan Oligosaccharide, Polymnia Sonchifolia Root Juice, Lactobacillus, Benzylsulfonyl D-seryl Homophenylalanine Amidinobenzamide Acetate**

**Gluconolactone** a potent postbiotic cocktail that boosts the feel of surface elasticity while calming the appearance of sensitive skin.

**Natural Salicylates (2%), Niacinamide (5%), and Swiss Organic Willow Herb Extract** balance the look of surface oil, purify pores, and even skin tone to create a glowing complexion.

**Piperonyl Glucose** (Innovation Zone "Best Ingredient Award" 2016) actively targets skin prone to sensitivity to reduce the look of facial flushing and redness.

**Niacinamide (5%)** Improves skin texture and helps strengthen the protective barrier to reduce water loss and irritation associated with dry or flaky skin.

**Phospholipids and Sphingolipids** Re-enforce the lipid barrier. A thin, weak, or damaged skin barrier allows environmental stressors to more easily irritate the skin. Building up this surface layer is one of the keys to reducing skin sensitivity long term.

# RADIANCE

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Aging Skin + Preventative + Discoloration

**pH:** 5

**TEXTURE:** Lightweight + Liquid Gel

**SCENT:** Formulated without fragrance

## BRIGHTENING + HYDRATING + REFINING

- ✓ Minimizes the visibility of hyperpigmentation and age/sunspots, promoting a more even and uniform skin tone.
- ✓ Supports the achievement of a balanced and harmonious complexion, enhancing the skin's overall appearance.
- ✓ Shields against the development of new hyperpigmentation, preserving the progress achieved and preventing further discoloration.
- ✓ Formulated without hydroquinone, ensuring a non-toxic and safe approach to achieving highly vibrant results.

Uncover a more uniform and radiant complexion, as this powerful formula targets discoloration. Say goodbye to dull and uneven skin tone with the potent combination of Swiss Alpine Organics, Vitamin C, Alpha-Arbutin, and Bio-Ferment Enzymes.

Experience the fortifying effects that work tirelessly throughout the day, diminishing surface discoloration and promoting the exfoliation of dead skin cells. Revel in the transformation as your skin reveals a brighter, more luminous, and beautifully even tone and texture.

### What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**BRIGHTENING SWISS BOTANICALS:** Combines seven **SWISS ALPINE ORGANIC EXTRACTS (5%)** and **STABILIZED VITAMIN C (SAP 10%)** to decrease the appearance of age spots and visibly even skin tone

**PUMPKIN ENZYME (5%)** is a unique, high-performing enzyme ferment that exfoliates surface skin to speed the fading of dark spots and discolorations without the AHA and glycolic acid irritation.

**ALPHA-ARBUTIN (2%)** Inhibits the function and activity of tyrosinase. Studies have shown it outperforms Kojic Acid and Hydroquinone without the potential health effects of hydroquinone.

**BOERHAVIA DIFFUSA L.** acts on the initial mechanisms of pigmentation, reducing melanogenic activity and decreasing tone and skin spots evenly and uniformly.

**DAISY FLOWER EXTRACT** inhibits the activity of melanocytes. This action influences five different cellular pathways in melanogenesis, making age spots less visible.

**NIACINAMIDE (4%)** inhibits the transfer of melanin to help prevent the formation of surface discoloration. Niacinamide does not decrease hyperpigmentation by inhibiting tyrosinase activity. Instead, it reduces it by inhibiting melanosome transfer from melanocytes to keratinocytes (skin cells).

# LUMINOUS

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Aging + Preventative + Discoloration + Dehydration

**pH:** 5

**TEXTURE:** Lightweight + Liquid Gel

**SCENT:** Formulated without fragrance

Includes a precision micro-wand that gently massages a concentrated treatment to lower surface skin temperature, de-puff tired-looking eyes, decrease fluid build-up, and diminish dark circles.

## DEPUFFING + BRIGHTENING + REFRESHING

- ✓ Brightens the skin and reduces the appearance of dark circles, revealing a more radiant and rejuvenated under-eye area.
- ✓ Refreshes the eyes, creating a well-rested and youthful appearance that revitalizes the entire eye area.
- ✓ Diminishes visible puffiness, inflammation, and fluid retention, promoting a smoother, more refreshed look.

Experience the transformative power of under-eye-specific peptides, niacinamide, and beta-aescine as they effectively reduce the appearance of dark circles and hyperpigmentation. Simultaneously, Pure Oxygen antioxidants and Bio-Suisse extracts work in harmony to soothe puffiness and inflammation. Witness the remarkable results as your skin appears rested, brighter, and more youthful, with a luminous and radiant glow.

### What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**Buddleja Davidii Extract, Thymus Vulgaris Extract, and Edelweiss Extract** protect against external influences, such as pollution, that damage the delicate skin around the eyes and play a part in the appearance of dark circles and puffiness.

**Haloxyl** (2%) Is a peptide complex that breaks down blood fragments that populate under the skin in the eye area, one of the primary causes of dark circles.

**Soy Peptides** and **Rice Peptides** (5%) decrease capillary permeability and improve micro-circulation to reduce dark circles visibly.

**Aescin** (from Horse Chestnut) promotes the strength and elasticity of capillary walls to lessen the signs of dark circles.

**Biodyne Tissue Respiratory Factor** helps the skin's healing process through an increase in the uptake of oxygen. An insufficient essential oxygen supply can trigger inflammation, leading to visible puffiness.

**Niacinamide** strengthens and stabilizes the skin's outer layer producing an anti-inflammatory effect that helps reduce puffiness and swelling in the tissues around the eyes.

## LUMINOUS

*How* to use it

1. Use twice daily: morning and evening
2. Apply one drop of serum onto the skin with your fingertips and distribute it under the eye.
3. Using gentle pressure, glide the precision eye wand over the skin from the inner corner to the outer corner with sweeping and circular movements. Smooth in any excess with your finger or precision eye wand until fully absorbed.

Avoid direct contact with eyes for external use only. If irritation occurs discontinue use immediately.

TIP: Keep refrigerated for excellent application.

### WRINKLE ERASE 3 WAYS

### LENGTH | DEPTH | WIDTH

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Aging + Preventative

**pH:** 5

**TEXTURE:** Lightweight + Liquid Gel

**SCENT:** Formulated without fragrance

## SMOOTHING + REJUVENATING + SOFTENING

- ✓ Softens the appearance of lines and wrinkles, promoting a smoother and more youthful complexion.
- ✓ Enhances the skin's texture, leaving a smoother and more refined surface.
- ✓ Improves facial contours, providing a firmer and more defined appearance.

Unlock the power of this age-defying serum specially formulated to target fine lines and wrinkles. Its triple-action approach addresses the depth, length, and width of lines for comprehensive results. High-performance stem cells and peptides, enriched with vitamins and hydration, synergize to minimize the appearance of surface imperfections and infuse wrinkle-smoothing hydration to the most delicate areas. Revel in the transformation as your skin looks smoother, fresher, and visibly younger.

## What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**Acetyl Hexapeptide-8 (6%)** is an alternative to topical injections, this peptide relaxes the muscles responsible for the formation of expression lines to smooth the look of wrinkles.

**Acetyl Octapeptide-3 (10%)** helps inhibit muscle contraction, reducing wrinkle depth. Fine lines and expression wrinkles fade, and surface skin looks smoother.

**Cyclopeptide-5 (5%)** is the first of next-generation, smart-design peptides, tailor-made to perfectly fit to skin cell surface receptors. Mimics the natural processes of skin repair, stimulating matrix remodeling to help skin retain elasticity and firmness.

**Dipeptide** stimulates PLOD3 which is known to increase the stability of collagen.

**Stem Cells (2%)** from Swiss Apples protect the longevity of skin stem cells and increase the vitality of skin cells to combat chronological aging.

**Niacinamide (4%)** helps reduce collagen breakdown, while increasing fibroblasts and stimulating new fibroblasts by 20% and collagen secretion by 54%.

# FIRMING COLLAGEN BOOSTER

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Aging + Preventative

**pH:** 5

**TEXTURE:** Lightweight + Liquid Gel

**SCENT:** Formulated without fragrance

## FIRMING + PLUMPING + VOLUMIZING

- ✓ Provides a firming effect, instantly imparting a lifted sensation and a youthful appearance to the skin.
- ✓ Rebuilds and strengthens the skin by stimulating collagen and elastin production, enhancing its resilience and elasticity.
- ✓ Improves long-term elasticity, contributing to maintaining smooth and supple skin.
- ✓ Helps optimize the visible results of clinical procedures, maximizing their effectiveness and enhancing the overall outcome.

### What Powers It

**MSM** Formulated with an intelligent delivery system - A sulfur compound that acts as a carrier or enhancer for delivering active ingredients into the skin

**Orchid Stem Cells:** Specifically targets skin stem cells and fibroblasts for a rejuvenating effect that 'lifts and firms' skin, fights wrinkles and gives back a glowing radiance.

**Tripeptide-29:** a unique tripeptide found naturally in our collagen structure, with a low molecular weight to offer excellent bioavailability.

**Vegan Collagen Complex:** made from sustainable plant sources is specifically designed to mimic the key animal-derived collagen amino acid composition,

Experience our best-selling age-defying serum designed to achieve a more lifted and sculpted look. This innovative formula boasts rapid absorption, delivering the potent benefits of Peptides, Plant-derived Stem Cells, Vitamins, Swiss Extracts, and Vegan Collagen.

Witness the transformation as your skin appears revitalized with improved tone and an immediate sensation of firmness. Suitable for use on the face, neck, and décolleté, this serum helps the skin retain a more youthful and rejuvenated appearance.

**MFC Multi-Fermentation Complex:** Proprietary complex of Oxygen, Co-enzyme Q10, and Hyaluronic Acid derived via advanced fermentation help transform the beauty of your skin by boosting the activity of formula ingredients.

**Baobab Seed Extract:** Increases collagen: Not only is baobab rich in antioxidants but it also has more vitamin C than most other fruits. This, paired with the oil's omega fatty acid content, makes baobab vital for radiant, youthful-looking skin.

**Hexapeptide-10** strengthens the dermo-epidermal junction for better skin compactness to provide skin restructuring and visible firming.

**Palmitoyl Dipeptide-5** stimulates the proteins of the dermal-epidermal junction to improve skin tonicity, firmness and suppleness. Palmitoyl Tripeptide-5 mimics the skin's mechanism to boost collagen production and improve cellular cohesion and elasticity.

## BRIGHTENING + PROTECTIVE REJUVENATION

- ✓ Promotes a brighter complexion and enhances overall skin tone for a more even appearance.
- ✓ Protects against environmental stressors, safeguarding the skin from potential damage.
- ✓ Reduces the appearance of lines and wrinkles, resulting in a smoother and more youthful-looking complexion.
- ✓ Renews the skin, visibly firming and revitalizing it for a youthful appearance.

Unleash the power of our age-defying antioxidant complex enriched with 15% Pure Vitamin C. This potent daily multivitamin for your skin combines with essential nutrients to effectively reduce visible signs of aging.

Witness the transformation as lines, wrinkles, uneven skin tone, and discoloration spots diminish, revealing a luminous and porcelain-like complexion.

## What Powers It

Applying topical Vitamin C to the skin is 20 times more effective than oral ingestion. Vitamin C absorption through the skin greatly depends on the pH of the Vitamin C application. A pH below 3.5 is ideal. SERUM ABSOLUT V15 is formulated at a pH of 3.2 to achieve maximum skin absorption.

**Organic Buddleja Davidii Extract, Organic Thymus Vulgaris Extract and Organic Edelweiss Extract** guards against damage from urban aggressors, such as pollution and ozone. These antioxidants and DNA protectors assist Vitamin C to protect the skin.

**Ascorbic Acid** can readily pass through cell membranes to be absorbed through the epidermis and transported to the underlying dermis where it can directly fight oxidative stress that leads to wrinkles and skin discoloration.

**Topical Vitamin C** provides one of the most effective ways to boost collagen synthesis, helping strengthen the collagen framework and maintaining a healthy dermis.

**Vitamin C** is a powerful antioxidant shown to reduce the number of sun- burned cells, helping reduce the severity of sunburns and age spots. It also helps clarify and brighten the skin by inhibiting melanogenesis for a more even skin tone.

**Mineral Complex Zinc** is a vital nutrient in the skin cell's natural antioxidant defense system. Copper is a trace mineral that helps skin utilize vitamin C. Calcium is a mineral that helps regulate passage of nutrients into cells. Iron is a trace mineral important to good skin tone and aids in proper tissue oxygenation. Silicon is a mineral that plays an important role in the formation of collagen and connective tissue.

## REJUVENATE + SOFTEN + SOOTHE

- ✓ Replenishes moisture
- ✓ Nurtures and calms the look of irritated or compromised skin
- ✓ Regenerates and smooths dull, aging, or sun-damaged skin
- ✓ Immediately relieves dry skin with essential fatty acids
- ✓ Rejuvenates and brightens to improve the look of tone and texture

Just a few drops of this gentle oil replenishes moisture while absorbing quickly for a lightweight, dewy glow. Powered by precious Rosehip Oil, which is naturally packed with rejuvenating Retinoic Acid and Vitamin C, alongside nourishing Squalane and Evening Primrose oils and rare Swiss plant extracts for antioxidant protection.

## What Powers It

**Rose Hip Oil** provides high concentrations of vitamins A, B, and E, as well as essential fatty acids, and is known for its regenerative and soothing properties, without feeling heavy.

**Evening Primrose Oil** is a natural rich source of Gamma Linolenic Acid (GLA), important to help reduce redness, irritation and flaking associated with dry skin.

**Squalane** is a plant-derived oil that is lightweight and never greasy, yet provides incredible moisturizing benefits to boost the skin's vital barrier functions. This helps restore moisture loss, suppleness, and a feeling of elasticity.

**Artemisia Umbelliformis Flower Extract** is extracted from the rare White Genepi flower in the Swiss Alps, and is packed with antioxidant and soothing properties that aim to calm skin and protect it from environmental stressors.

## THE REPLENISHING OIL

# CLEANSING GELÉE

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Acne + Aging + Discoloration + Preventative + Dehydration

**pH:** 6

**TEXTURE:** Silky Gelee

**SCENT:** Sweet Orange + Lavender

## PURIFYING + REFRESHING + HYDRATING

- ✓ Gently removes dirt, pollution, and surface oil, preserving essential lipids for healthy skin.
- ✓ Works to tone and refine the appearance of pores, promoting a smoother and more even complexion.
- ✓ Leaves the skin feeling refreshed, with a soft and clean, deeply comforting sensation
- ✓ This product is suitable for all skin types and provides effective cleansing without causing dryness or discomfort.

This delicately formulated gelee effortlessly removes surface impurities, leaving your skin feeling beautifully refreshed and revitalized. It nourishes your skin, infused with cucumber, witch hazel, and citrus leaf extract, unveiling a radiant and fresh complexion. Gentle enough for even the most delicate skin yet powerful enough to dissolve every trace of makeup and dirt, this silky gelee ensures a pampering and effective cleansing experience. Say goodbye to stripping, drying, or irritation - embrace the purity and gentleness of our exquisite Gelee Cleanser.

## What Powers It

**Disodium Cocoamphodiacetate** derived from the fatty acids found in coconut oil. This mild cleanser and skin conditioner cleans skin by enabling water to mix with oil and dirt particles and rinse them off the surface without stripping it of its natural oils. It is appropriate for even the most sensitive skin types.

**Hyssopus Officinalis Extract** contains high levels of Rosmarinic Acid, Chlorogenic Acid and Tannins that possess powerful astringent and anti-bacterial activities to assist in maintaining a perfect complexion.

**Cucumber Extract** can repair dry and damaged skin, giving it a softer and smoother appearance. Cucumber has a high content in minerals, potassium and sulfur and is being used in skin care to soften and hydrate the skin.

**Witch Hazel (Alcohol-free)**, from the dormant twigs of the Hamamelis Virginiana Linn plant, delivers a natural astringent activity that helps tighten and refine the appearance of pores.

**Aloe Barbadensis Leaf Juice** moisturizes, calms, and conditions skin. Since minerals found in aloe are antibacterial, it is ideal for sensitive skin and rosacea.

**Panthenol** contributes to a well-balanced hydration level by absorbing deeply and helping skin hold moisture. It also reduces itching and inflammation and can speed the healing of surface skin.

## NOURISHING + CREAMY + COMFORTING

- ✓ Effectively removes dirt and makeup while maintaining the skin's natural moisture balance.
- ✓ Supports the skin's beneficial lipid barrier, ensuring optimal hydration and protection.
- ✓ Leaves the skin feeling refreshed, soothed, and thoroughly clean, promoting a comfortable and nourished complexion.

A beloved classic since its release by Luzern. This best-selling gem is infused with cucumber, witch hazel, and citrus leaf extract, providing a refreshing and comfortable cleanse without stripping, drying, or irritation.

Maintaining the perfect moisture balance, this gentle formula effortlessly dissolves makeup and dirt, catering to even the most delicate skin. Experience the enduring allure of our Clean Beauty Cleanser for a truly revitalizing and effective skincare ritual.

## What Powers It

**Decyl Glucoside** is a natural surfactant obtained from coconut and sugars. It effectively cleans skin without drying or stripping the lipid barrier, making it gentle enough for even delicate skin.

**Joboba Oil** contains high amounts of ceramides that quickly absorb into the skin to create instant hydration and strengthen the barrier against moisture loss. This oil also helps in removing makeup. Jojoba oil can make skin soft and supple.

**Aloe Barbadensis Leaf Juice** moisturizes, calms, and conditions skin. Minerals found in aloe are antibacterial. It is ideal for sensitive skin and rosacea.

**L-arginine** helps with hydration within the skin. This vital amino acid helps bind moisture in the skin.

**Marrubium Vulgare Extract**, extracted from the Horehound plant, a member of the mint family, has been found to have skin-soothing and anti-irritant properties.

**Cucumber Extract** can repair dry and damaged skin, giving it a softer and smoother appearance. Cucumber has a high content in minerals, potassium, and sulfur and is used in skin care to soften and hydrate the skin.

**Witch Hazel (Alcohol-free)** from the dormant twigs of the Hamamelis Virginiana Linn plant delivers a soothing, natural astringent activity due to its high levels of therapeutic tannins.

## RENEWING + REFINING + RESURFACING

- ✓ Delicately eliminates skin-dulling cells, treating sensitive skin with care.
- ✓ Improves the surface texture, refining and smoothing the complexion.
- ✓ Minimizes the appearance of enlarged pores, enhancing overall skin aesthetics.
- ✓ Prepares the skin to maximize the benefits of subsequent skincare products and treatments.

Experience the transformative effects of our gentle exfoliating micro-scrub, designed to polish and refine your skin to perfection. This rich and creamy textured scrub harnesses the power of micro-fine jojoba beads and Bio-Suisse-certified organic botanicals. With its smoothing severe power, it softens the appearance of fine lines and wrinkles, improves hydration, clears clogged pores, and enhances your skin's luminosity. Unveil a radiant and rejuvenated complexion with this luxurious exfoliating experience..

### What Powers It

**Jojoba Exfoliating Beads** produced from jojoba wax are perfectly smooth and spherical in shape to prevent microscopic tears on the skin's surface that leave it open for bacteria to invade. Unlike plastic micro-beads that pose a danger to marine life, natural jojoba beads are biodegradable and safe for the environment.

**Aloe Barbadosis Leaf Juice** moisturizes, calms, and conditions skin. Since minerals found in aloe are antibacterial, it is ideal for sensitive skin and rosacea.

**L-arginine** helps with hydration within the skin. This vital amino acid helps bind moisture in the skin.

# THE ESSENCE

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Acne + Aging + Discoloration + Preventative + Dehydration + Compromised

**pH:** 5

**TEXTURE:** Lightweight + Water Base

**SCENT:** Formulated without fragrance

## REFRESHING + REPLENISHING + SOOTHING

- ✓ Alcohol-free formula refines and tones surface skin gently without causing dryness.
- ✓ Instantly hydrates, leaving skin feeling soft, supple, and well-balanced.
- ✓ Fast-absorbing, age-defying actives nourish and revitalize the skin, promoting a rejuvenated appearance.
- ✓ Energizes and refreshes the skin, preparing it to maximize the benefits of subsequent skincare products.

### What Powers It

**MFC Multi-Fermentation Complex** is a fast-penetrating, robust broth of naturally occurring peptides, enzymes, hyaluronic acid, probiotics, and vitamins. Fermentation enhances the power of ingredients, increasing their bioavailability and affinity with the skin, creating a cocktail of actives with a super-charged ability to transform the beauty of your skin.

**Rheum Rhaponticum Root Extract:** Supports the skin's natural regeneration process.

Enriched with Alpine Organics extracted in Swiss mountain water, fortifying Ceramides, and Luzern's exclusive MFC Multi-Fermentation Complex™, this golden elixir is a fast-penetrating broth of oxygen, peptides, co-enzyme Q10, hyaluronic acid, probiotics, and vitamins.

Weightless and instantly absorbed, it restores moisture and elasticity, enhancing the skin's radiance. Get ready to optimize the results of your skincare products with this transformative elixir.

**Salix Alba Willowbark Extract:** Offers natural exfoliating benefits, promoting a smoother and clearer complexion.

**Camellia Sinensis Green Tea Leaf Extract:** Provides antioxidant protection, guarding the skin against environmental damage.

**Sodium Hyaluronate:** Acts as a powerful humectant, attracting and retaining moisture to keep the skin hydrated and plump.

**Witch Hazel Water:** Has astringent properties, helping to tighten and tone the skin, and can reduce inflammation and redness.

**Glycerin:** A potent humectant that attracts and locks in moisture, keeping the skin moisturized and supple.

## THE ESSENCE

### How to use it

1. After cleansing, shake a few drops of the toning essence onto the palm of your hand (or a cotton pad).
2. Apply with pressing motion onto the face and neck, moving from the center outwards. No rinsing is necessary. Use morning and night.
3. Follow with Serum Absolut serums and Force de Vie moisturizer.

If irritation occurs, discontinue use immediately.

## BRIGHTENING + REFINING + CLARIFYING

- ✓ Resurfaces the skin, effectively minimizing the appearance of lines and wrinkles for a more youthful complexion.
- ✓ Brightens the skin, imparting a fresh and even-toned glow for a radiant appearance.
- ✓ Diminishes the look of large pores, promoting a smoother and refined skin texture.
- ✓ Boosts the skin's natural renewal process, aiding in reducing age spots and uneven pigmentation.

Hydroxy Acid Resurfacing Peel Pads, enriched with 10% AHA and 1% plant-derived salicylates. These pre-soaked cotton pads offer super-exfoliation, accelerating the shedding of dead surface cells to reveal a brighter and revitalized complexion. Experience powerful results with the convenience of an at-home treatment that requires no recovery time. Renewed and radiant skin awaits, perfectly prepped to maximize the benefits of your skincare routine. Use these pads weekly for a rejuvenating and brightening pick-me-up, bringing new life to your skin.

### What Powers It

**10% Lactic Acid** linked with the amino acid Arginine delivers all the benefits of Alpha Hydroxy Acid with reduced irritation. This patented complex effectively exfoliates to reduce the look of fine lines and wrinkles and enhances radiance.

**1% Salicylic Acid**, naturally derived from Willow Bark, provides the perfect alternative to synthetic salicylic acid, delivering all of the benefits with none of the associated irritation. It is ideal for reducing inflammation and associated redness while eliminating rough, dull skin cells to reveal soft, smooth, glowing skin.

**Brightening Swiss Botanicals:** 7 different Alpine botanical extracts that aid in reducing the appearance of skin discoloration and promotes an even skin tone.

**Gluconolactone:** A polyhydroxy acid (PHA) that provides gentle exfoliation and aids in minimizing the appearance of fine lines and wrinkles.

## AHA EXFOLIATING PADS

*How* to use it

1. On clean, dry skin, swipe the pad over your face, neck, and décolleté, allowing the solution to completely dry. A tingling sensation may occur; this is normal.
2. After 5 mins, rinse with water and follow with appropriate Toning Essence, Serum Absolut Serum or treatment masque, and finish with your favorite Luzern moisturizer.

May be used up to 3 times a week. If excessive dryness occurs, use less frequently. If irritation occurs, discontinue use immediately. Avoid contact with eyes. Should contact occur, rinse thoroughly with water.

# NUIT

*Maximize the Rejuvenating  
Power of Your Sleep*

# Nuit Collection

---

Luzern's Nuit Collection was specifically formulated to maximize the rejuvenating power of your sleep, with a complete program to help support collagen production, smooth skin, and even out pigmentation, ensuring you *wake up looking refreshed and revitalized at the end of each night's rest.*

**CRÈME NUIT** Luxurious lightweight night cream uses the power of retinol and organic Swiss actives to repair and renew your complexion while you sleep. Enhances collagen production, encourages cell turnover and restores luminosity overnight.

**HYDRA-ENZYME MASQUE** Silky nighttime masque gently exfoliates and repairs the skin overnight, for a brighter and firmer complexion by morning.

**ULTIMATE RENEWAL EYE BALM** Delicate eye renewal balm with microcirculation wand brightens, hydrates and reduces the look of dark circles and puffiness while you sleep.

# CRÈME NUIT

**SKIN TYPE:** For all skin types

**SKIN CONDITIONS:** Aging + Discoloration + Preventative + Dehydration

**pH:** 5.5

**TEXTURE:** Thick Balmy Crème

**SCENT:** Sweet Orange + Lavender

## FIRMING + BRIGHTENING + RENEWING

- ✓ Reduces the appearance of wrinkles, leaving your skin smoother and more refined.
- ✓ Unveils a brighter complexion while enhancing overall skin tone.
- ✓ Provides deep hydration, resulting in a plumper and firmer feel to your skin.
- ✓ Nourishes and revitalizes your skin with the power of Retinol, Peptides, Bakuchiol, and Swiss Alpine extracts.

NUIT Crème, where the magic happens while you sleep. This exceptional night crème combines the potent synergy of Retinol, Peptides, Bakuchiol, and our exclusive Multi-Fermentation Complex sourced from the Swiss Alps. Witness the remarkable transformation as it repairs and renews your skin, unveiling a brighter, luminous, and truly radiant complexion by morning.

### What Powers It

**Advanced Retinol Complex** (0.15% Pure Retinol + 0.5% Pure Bakuchiol): Retinol improves multiple dermal and dermo-epidermal junction genes/proteins, and is a Collagen I, III & IV stimulator. Bakuchiol significantly boosts these results and displays Retinol-like activity. Together they reduce roughness, dryness and the appearance of fine lines and wrinkles. They also improve the look of skin tone, elasticity, firmness, radiance, and brightness.

**Multi-Fermentation Complex** is a fast-penetrating, powerful broth of naturally occurring peptides, enzymes, hyaluronic acid, probiotics, and vitamins. Fermentation enhances the power of ingredients, increasing their bioavailability and affinity with the skin, creating a cocktail of actives with a super-charged ability to transform the beauty of your skin.

**Caproyl Tetrapeptide-3** is a peptide derived from a growth factor that boosts collagen VII, laminin-5 and fibronectin to provide rapid reduction of the appearance of wrinkles and improves the feel of elasticity.

**Hyaluronic Acid (High-Molecular Weight)** works as a magnet for moisture, helping your cells retain as much as possible so that your skin looks and feels hydrated, plump and healthy

**Hyaluronic Acid (Low-Molecular Weight)** penetrates to provide a significant internal reservoir of hydration and up-regulates skin cell detoxification.

**Patented Lipid Complex**, carefully designed to deliver botanically-sourced lipids in the same ratio as those found on healthy young skin, repairs the protective barrier function to re-balance hydration levels.

## CRÈME NUIT

### How to use it

Warm between fingers and press gently onto cleansed skin and after using Serum Absolut's.

NOTE: When beginning any product with Retinol, skin might need an acclimation period. If skin becomes sensitized when increasing the number of applications, return to previous frequency. Recommended timeline for getting started is:

1. Week 1 & 2: apply every third night.
2. Week 3 & 4: apply every other night.
3. Week 5 & Ongoing: Apply nightly if your skin feels comfortable.

If irritation occurs, discontinue use immediately.

## REVITALIZING + REGENERATING + BRIGHTENING

- ✓ Gently exfoliates, revealing a brighter and more radiant complexion.
- ✓ Smooths and refines the skin's surface texture for a velvety touch.
- ✓ Deeply hydrates, leaving the skin supple and lusciously soft.
- ✓ Promotes a youthful appearance, making the skin feel firmer and more toned.

Overnight leave-on mask to brighten, refine, and hydrate. A translucent layer applied onto the skin leaves it brighter, firmer, and younger in one night. Enzymes and peptides gently speed up the shedding of surface cells while you sleep. Vitamin C and Organic Licorice extract promotes an even tone. Sweet Almond Oil, Squalane, and Hyaluronic Acid deeply hydrate for a refined complexion. Wake up with plumped, hydrated, and radiant skin.

## What Powers It

**Licorice Root Extract** helps inhibit tyrosinase activity and melanin synthesis to reduce the look of discoloration  
**VITAMIN C** Promotes essential collagen production, decreases melanin production, and lessens the appearance of sun-spots

**Pumpkin Enzyme Ferment (5%)** gently breaks down the dead outer layers of the skin to reduce the appearance of lines, wrinkles and surface discoloration.

**Biofermentation Oligopeptide:** Provides skin resurfacing action via gentle and selective desquamation. Developed using a sophisticated molecular screening technique and bio fermented from a proprietary strain of yeast, it stimulates skin renewal to actively refine and restore skin texture and radiance.

**Squalene (Olive-derived)** gives skin a silky feel and helps skin hold on to moisture for long lasting hydration

**Sweet Almond Oil** delivers skin-essential hydration and nutrients including helping to minimize signs associated with premature aging. It creates a glow to the skin when absorbed

## HYDRA ENZYME MASQUE

### How to use it

**Overnight mask:**

1. At night on cleansed, dry skin, apply evenly to face & neck. May be used under and over the eye area.
2. Leave on overnight and wake up to brighten & hydrated skin.

**10-minute mask:**

1. On cleansed, dry skin, apply a generous layer. Leave for 10 minutes for maximum hydration.
2. Blot with a warm cloth if necessary—no need to rinse! If irritation occurs, discontinue use immediately.

**TIP:** Exfoliate twice a week with Hydra-Enzyme Masque Nuit in place of Crème Nuit for optimal results.

## NOURISHING + REJUVENATING + ILLUMINATING

- ✓ Supports a firm and fresh look around the eye area.
- ✓ Nourishes and deeply hydrates for a renewed and revitalized appearance.
- ✓ Boosts overall radiance, leaving you with a refreshed and well-rested look.
- ✓ Diminishes fine lines and wrinkles, promoting a youthful and rejuvenated eye area.

Nuit Ultimate Eye Balm - an overnight restorative solution that visibly diminishes fine lines and wrinkles while renewing the delicate eye area. Enriched with peptides, glabridin, Swiss Alpine extracts, and hyaluronic acid, it blurs fine lines, locks in essential moisture, and delivers targeted anti-aging benefits. Restore, rejuvenate, and revitalize your eyes with this luxurious formula.

## What Powers It

**Seven Swiss Alpine Organic Extracts and Vitamin C** help to significantly improve skin tone around the eye area.

**Glabridin from Licorice Root** A potent antioxidant, Glabridin is also a skin-soothing free-radical scavenger with humectant properties that act to moisturize dry skin.

**Eye-area Specific Peptides** Helps strengthen skin's underlying supportive elements. Provide anti-aging effects by stimulating cell production and boosting the renewal process, working on the molecular levels in the skin layers.

**Low-molecular Weight Hyaluronic Acid** up-regulates detoxification and cell-cell adhesion genes to support nighttime skin renewal and improve skin tautness for the reduction of fine lines and an increase in elasticity

**Organic Alpine Mallow Extract and Organic Jojoba Oil** provide a reservoir of needed moisture to the delicate eye area that can become easily dehydrated

**Biodyne TRF (Tissue Respiratory Factor)** Enhances the area around the eyes, making them look rejuvenated with a more uniform complexion.

**Bisabolol** reduces inflammation and enhances the appearance of dehydrated or damaged skin and restoring suppleness to the skin.

**Organic Honey** provides soothing relief to skin that tends to become dry or itchy.

## ULTIMATE EYE BALM

## GENTLE + BALANCING + REVITALIZING

- ✓ Enzymatically stimulates cell turnover for a revitalized complexion.
- ✓ Unclogs pores and dissolves oils, effectively removing blackheads.
- ✓ Enhances skin texture and tone through its exfoliating properties.
- ✓ Targets hyperpigmentation, promoting a more even and radiant skin tone

This natural exfoliation process gently removes unwanted debris from your pores, unveiling a radiant and revitalized complexion. Imagine your skin's cellular regeneration enhanced and its ability to absorb active ingredients, like our luxurious serums and moisturizers, magnified.

The secret lies in the fermented pumpkin, brimming with more than 100 nutrients, including nourishing amino acids and moisturizing fatty acids. With every application, the pumpkin proteases work their magic, delicately exfoliating dead skin cells and impurities, while generously delivering a bounty of vitamins and nutrients to replenish and rejuvenate your skin.

## What Powers It

**Pumpkin Enzyme Ferment** contains more than 100 nutrients, including protein-building amino acids and moisturizing fatty acids. Pumpkin (*Cucurbita pepo*) proteases hydrolyze the proteins, exfoliating dead skin cells and impurities while delivering vitamins and nutrients, leaving the skin cleansed and silky smooth.

**Gluconolactone:** a remarkable polyhydroxy acid (PHA) renowned for its exfoliating prowess and unparalleled moisturizing properties. Unlike other acids, Gluconolactone boasts a gentler approach, making it the ideal choice for sensitive skin seeking effective and soothing exfoliation. Embrace the transformative power of Gluconolactone as it unveils a radiant and rejuvenated complexion, leaving your skin feeling truly nourished and revitalized.

## EXFOLIATING + CONDITIONING + SMOOTHING

- ✓ Resurface your skin to reduce the appearance of lines and wrinkles, revealing a youthful complexion.
- ✓ Brighten your face for a fresh and even-toned glow that exudes radiance.
- ✓ Refine the look of your pores and achieve a velvety-smooth skin texture.
- ✓ Suitable for all skin types, except the most sensitive

Experience the ultimate skin renewal with our medium-strength AHA peel. Unlock the secrets to remarkably smoother skin, refined texture, and improved clarity. Instantly enjoy the benefits as it smoothes texture, clarifies the complexion, and brightens your skin without causing dryness.

Powered by the potent combination of Postbiotics and an antioxidant complex, this peel strengthens your skin's natural defenses, revealing a healthier and more vibrant complexion with clean, unclogged pores. Additionally, Aloe Vera and Sodium Hyaluronate work in harmony to retain essential moisture and hydration, ensuring your skin functions at optimum levels.

## What Powers It

**30% LACTIC ACID** is an Alpha Hydroxy Acid (AHA) found naturally and has been used in topical formulations for decades. Lactic Acid's larger molecular size make it less irritating than Glycolic Acid and well-suited to those who prefer a less aggressive exfoliation. In addition, Lactic Acid provides antibacterial and hydrating properties and is particularly important to skin-brightening formulations due to its ability to inhibit the enzyme Tyrosinase. at boosting cell turnover

**2% SALICYLIC ACID** naturally derived from Willow Bark, provides the perfect alternative to synthetic salicylic acid, delivering all of the benefits with none of the associated irritation. It is ideal for reducing inflammation and associated redness, while eliminating rough, dull skin cells to reveal soft, smooth, glowing skin.

**ORGANIC ALOE VERA JUICE** provides multi-beneficial vitamins, minerals and polysaccharides that gives the gel its humectant, or skin-hydrating, powers, which can increase the moisture content in skin and speed healing.

**SODIUM HYALURONATE** is a Sodium salt of Hyaluronic Acid, a natural component of human skin. Surges water deep into the skin, which helps to improve skin pliability to relieve the appearance of fine lines, maintain hydration levels, and prevent transepidermal water loss.

**PANTHENOL (VITAMIN B5)** is an amazing humectant which attracts moisture and helps skin absorb and retain it. This ability strengthens skin's outer layers (the stratum corneum) and protective barrier. It also reduces skin irritation and inflammation and promotes skin's recovery. It has been shown to speed the healing of wounds and burns resulting in softer skin and less scarring.

## NOURISHING + SOOTHING + AROMATIC

- ✓ Replenish skin by minimizing the size of pores to improve the appearance of skin.
- ✓ Rich in antioxidants, this multi-tasking oil will brighten your skin to leave a healthy glow.
- ✓ Jojoba Oil is full of nutrients to help tame inflammation.

This unique blend of natural oils melts into the skin to nourish the epidermis deep down, repair the skin barrier and soothe skin. Leaving the skin restored and more resilient.

Designed to treat dry, sensitive, or hormonal skin and tackle redness and irritation. This deeply nourishing formula uses two powerful oils to hydrate without feeling oily. It has the exceptional glide to give your clients the ultimate, luxurious facial massage treatment.

## What Powers It

Compounds found in **jojoba oil** are almost instantly absorbed into the skin, where they form a protective shield around the skin cells, preventing them from losing any additional moisture. The hydrating properties of this oil can prevent skin flaking and protect the cells that are most vulnerable to outside elements. Both oils are effective with boosting skin's hydration levels and has powerful antioxidant properties.

**Rich in antioxidants**, this multi-tasking oil will replenish skin to leave a healthy glow. Jojoba Oil is full of nutrients to help tame inflammation, reduce the appearance of fine lines, target acne breakouts, soothe sunburn, and more. By being skin-identical, using Squalane is unlikely to cause an allergic reaction and is, therefore, the perfect addition to a preventative anti-aging skin care routine for those prone to breakouts and with sensitive skin conditions like rosacea.

Clinical studies have demonstrated that a single application of pure Jojoba Oil increases skin smoothness. This superior hydration renews skin cells and improves skin elasticity. Squalane is known to combat the appearance of signs of aging inclusive of fine lines and wrinkles revealing a soft and smooth appearance of the skin.

The soft woodiness of Lavender and the bright, energizing scent of sweet Orange are a perfect match. Leaves a soft, sweet fragrance whenever it's used. In addition to its pleasant scent, both lavender and orange essential oils are proven to be strongly effective at cleaning, disinfecting, and deodorizing.

## HYDRATING MASSAGE OIL

*How* to use it**PROFESSIONAL APPLICATION:**

Apply 15 -20 drops of Hydrating Massage Oil onto damp skin and massage within circular motions starting at the forehead, moving outward toward temples, gently around eyes a few times, and then downward along the nose, cheeks, jawline, neck, and chest.

Our proprietary MFC stimulates cellular respiration, encouraging regeneration and revitalization. Witness the magic as your skin transforms, promoting a radiant and rejuvenated appearance. Embrace the beauty of a more luminous complexion with this extraordinary infusion.

## What Powers It

**Multi-Fermentation Oxygen Complex** Powered by Biodyne TRF, this essential ingredient breathes new life into your skin, enhancing cell oxygenation and promoting improved renewal and proliferation.

**Bentonite | Kaolin Clay**, rich in minerals such as iron, sodium, calcium, potassium, and magnesium, has a strong negative electrical charge. Since many toxins have a positive charge, the clays bond to them, absorbing heavy metals, impurities, and chemicals from the surface skin. In addition, they help unclog pores and stimulate circulation for a glowing complexion.

**Cucumber Extract and Apple Fruit Extract** - Soothe and provide antioxidant benefits, promoting a clear and radiant complexion.

**Alpha Lipoic Acid**, a formidable force, ignites energy production and combats free radicals with unwavering strength, fortifying and protecting your skin.

**Edelweiss Extract**, a precious gem in skincare, fortifies your skin's vital protective barrier, rendering it more resilient against external stress factors, ensuring it stays healthy and invincible.

**Vitamin C**, the ultimate collagen champion, strengthens the skin's framework, keeping your dermis healthy and vibrant, giving you the gift of youthful and supple skin. Embrace the transformation from within, as your skin exudes radiance and vitality with this powerhouse blend of ingredients. Experience the beauty of strengthened and fortified skin like never before.

## PURE OXYGEN RADIANCE MASQUE

### How to use it

#### PROFESSIONAL APPLICATION:

**To use as a masque** To use as a masque: Apply to cleansed skin. Smooth an even layer over face. Let rest for 10 minutes. Rinse thoroughly with warm water and/or wash cloth. If irritation occurs, discontinue use immediately. Follow with Pre-Serum Essence

#### Clay masques have 2 phases:

1. Damp stage: Skin drinks in the beneficial minerals of the masque.
2. Dry stage: Mask cools and contracts | stimulates blood flow.

Leave on 10 minutes.

Rinse thoroughly with warm water and washcloth. If irritation occurs discontinue use immediately.

## NOURISHING + REJUVENATING + HYDRATING

- ✓ Boasts an impressive 95% pure oxygen content, offering unparalleled revitalization.
- ✓ Instantly revitalizes tired skin, imparting a burst of radiant glow.
- ✓ Enhances skin smoothness and firmness, for a rejuvenated appearance.
- ✓ Brightens your complexion, leaving you with a vibrant and youthful glow.

Unveil the power of Oxygen Dermal Complex - a revolutionary serum treatment enriched with cutting-edge yeast fermentation that enhances oxygen uptake in skin cells. Infused with a potent blend of vitamins, peptides, multi-minerals, and soothing anti-irritant, antibacterial plant extracts, this formula takes your skincare routine to new heights.

For a truly professional experience, combine Oxygen Dermal Complex with Oxygen Activator Solution in a nebulizer when utilizing the Pure Blue O2 Oxygen Concentrator. Embrace the rejuvenating benefits of this innovative serum treatment, delivering a breath of fresh air to your skin, leaving it revitalized, nourished, and glowing like never before.

## What Powers It

**Saccharomyces Lysate Extract (Biodyne TRF):** This active yeast extract acts as a soothing anti-inflammatory and anti-irritant by boosting oxygen levels of fibroblasts. It has line minimizing, cell renewing and proliferating properties while smoothing and moisturizing the skin and increasing cell respiration to stimulate elastin production, neutralize skin damaging pollution and improve the barrier function of the skin

**Edelweiss Extract** (Organically cultivated in the Swiss Alps) boosts resistance to sensitivity. The Edelweiss plant contains phytonutrients that possess strong antioxidant, antiseptic and anti-inflammatory characteristics. Edelweiss is also a high-performance free radical scavenger

**Vitamin A, C, & E Peptides:** Vitamins A, C and E complexed with low molecular weight peptides, proteins or polypeptides. This water-soluble complex allows stable, effective delivery of antioxidant vitamins to the skin. (Peptides consist of two or more amino acids. Polypeptides and proteins both contain ten or more amino acids, but peptides consisting of more than fifty amino acids are classified as proteins.) These natural, protein-complex vitamins allow for safe and stable delivery of antioxidant vitamins to the skin.

**Bio-suisse Certified Organic Plant Extracts:** An infusion of anti-inflammatory and anti-bacterial botanical extracts grown in the Swiss Alps without the use of pesticides and herbicides.

# Exfoliants Overview

## ENZYMES

Enzymatic peels utilize gently exfoliating fruit-based enzymes to dissolve dead skin cells, support skin cell renewal and soften skin texture with minimal irritation.

Enzymatic peels can be used alone or as a part of a two-step treatment to prepare the skin before an additional aesthetic procedure such as an AHA resurfacing peel.

**Skin Types:** Suitable for all skin types. A better choice for those with some skin sensitivity.

**Skin Conditions:** Suitable for all skin conditions.

**When to use:** Enzyme Exfoliant 100% is integrated into the facial after the double cleanse and application of Essence.

PRODUCT	DIRECTIONS
---------	------------

<b>Enzyme Exfoliant – 100%</b>	<ol style="list-style-type: none"> <li><b>Dispense product:</b> Apply two to three complete pumps of Enzymatic Exfoliation into a ceramic ramekin. This will help you quickly access the product and apply it to your skin.</li> <li><b>Dampen cotton wipes:</b> Dampen two 2X2 cotton wipes with water. Place one wipe over each eye, forming it into the shape of your eye. This will protect the delicate eye area from the product.</li> <li><b>Start application:</b> Using a cotton-tipped peel applicator, apply the Enzymatic Exfoliation to the client's forehead. Begin at the center of the forehead and apply the product from temple to temple. Next, move to the temple area, side of the face, nose, upper lip, chin, and jawline.</li> <li><b>Apply to cheeks:</b> Fan out the product onto the cheek area last, being careful not to get too close to the eyes.</li> <li><b>Check coverage:</b> Apply one quick pass of the peel to your entire face. Then, go back and touch up any areas that may have been missed to ensure even coverage. Pay special attention to any problem areas requiring extra product for better results.</li> <li><b>Décolleté application:</b> If desired, you may also apply the peel to the décolleté area. However, be sure to avoid the neck.</li> <li><b>Leave on:</b> Allow the peel to sit on your skin for 6 - 10 minutes, depending on your skin type and sensitivity.</li> <li><b>Remove:</b> After the recommended time, remove the product thoroughly with cool water. Be sure to avoid getting any of the products in your client's eyes.</li> </ol> <p><b>NOTE:</b> Steam may be used during the Enzymatic Exfoliation Treatment application.</p>

# Exfoliants Overview

Alpha-hydroxy acid (AHA) peels are a type of chemical peel that uses mild acids derived from natural sources such as fruit and milk to exfoliate the top layer of skin. These peels are designed to improve the texture and appearance of skin by removing dead skin cells, stimulating cell turnover, and promoting collagen production. AHA peels are commonly used to treat fine lines, wrinkles, age spots, acne, and uneven skin tone. They are generally safe and well-tolerated by most skin types, but it's essential to follow the instructions carefully and avoid over-exfoliation, which can cause irritation and sensitivity.

## AHA | BHA Exfoliating Pads

PRODUCT	DIRECTIONS
	<ol style="list-style-type: none"> <li><b>Prep the pad:</b> Open the packaging and remove the pad from the packaging.</li> <li><b>Apply to face:</b> With the pad in hand, gently swipe it over your client's face using circular motions. Pay extra attention to areas of the face that may be prone to congestion or dryness. The exfoliation treatment pad will help to remove dead skin cells and prepare your skin for the AHA   BHA Resurfacing Peel.</li> <li><b>Expect a tingling sensation:</b> As you use the pad, your client may experience a tingling sensation on the skin. This is a normal reaction to the exfoliating ingredients in the pad and indicates that the product is working.</li> <li><b>No need to rinse:</b> Once you have finished using the AHA   BHA Exfoliating Peel Pads, there is no need to rinse the face. You may proceed to the next step of applying the AHA BHA Resurfacing Peel</li> </ol> <p><b>NOTES:</b> By using the AHA   BHA Exfoliating Peel Pads before the AHA BHA Resurfacing Peel, you are helping to improve the effectiveness of the peel by ensuring that your skin is prepared correctly. This step also helps to enhance the overall texture and tone of your skin by removing dead skin cells and promoting cell turnover.</p>

## AHA | BHA Resurfacing Peel

- Dispense product:** Apply two full AHA BHA Resurfacing Peel droppers into a ceramic ramekin. This will help you quickly access and apply the product to your skin.
- Dampen cotton wipes:** Dampen two 2X2 cotton wipes with water. Place one wipe over each eye, forming it into the shape of your eye. This will protect the delicate eye area from the product.
- Start application:** Apply the AHA | BHA Resurfacing Peel to your client's forehead using a cotton-tipped peel applicator. Begin at the center of the forehead and apply the product from temple to temple. Next, move to the temple area, side of the face, nose, upper lip, chin, and jawline.
- Apply to cheeks:** Fan out the product onto the cheek area last, being careful not to get too close to the eyes.
- Check coverage:** Apply one quick pass of the peel to the entire face. Then, go back and touch up any areas that may have been missed to ensure even coverage. Pay special attention to any problem areas requiring extra product for better results.
- Décolleté application:** If desired, you may also apply the peel to your décolleté area. However, be sure to avoid the neck.
- Leave on:** Allow the peel to sit on your skin for 3-6 minutes, depending on your skin type and sensitivity.

**NOTE:** Steam should not be used during the AHA/BHA Resurfacing Treatment application.

# Modalities Overview

MODALITIES	OVERVIEW
<b>Galvanic Disincrustation</b>	<p><b>What it is:</b> Dissolves skin congestion, unclogging pores to achieve smooth, clear, and clean skin—ideal for oily and problem skin or anyone that experiences congestion of blackheads and breakouts.</p> <p><b>How it works:</b> Galvanic Disincrustation is an electrical process that softens and emulsifies sebum and keratin in the follicle. It is the most in-depth way to clean the skin and remove congestion.</p> <p><b>When to use:</b> Galvanic Disincrustation is typically integrated during steaming after cleansing and exfoliation.</p> <p><b>Product companion:</b> <b>PREP:</b> Cleansing Gelee, Micro Exfoliate. <b>POST:</b> AHA   BHA Peel Pad, Oxygen Radiance Masque, Serum Rehydrate.</p>
<b>High Frequency</b>	<p><b>What it is:</b> Used to treat various conditions, including acne management, enlarged pores, fine lines and wrinkles, and puffy or dark undereye.</p> <p><b>How it works:</b> When applied to the skin's surface, a mild electrical current passes through the neon or argon gas-filled glass electrode to create an anti-bacterial action, a "natural" thermal tissue warming. This, in turn, increases blood circulation and cell renewal, supporting increased levels of collagen and elastin.</p> <p><b>When to use:</b> High Frequency is typically integrated into the protocol after extractions and to enhance penetration of serums.</p> <p><b>Product companion:</b> <b>PREP:</b> All Serum Absolut's can be used with High Frequency.</p>
<b>LED</b>	<p><b>What it is.</b> LED is a non-invasive and painless treatment that promotes skin rejuvenation and healing by targeting several skin issues like acne, wrinkles, redness, and inflammation.</p> <p><b>How it works:</b> LED stands for light-emitting diode. LEDs have shown promising results in wound healing and human tissue growth. Different wavelengths of light in LED lights penetrate the skin at different depths to trigger biological processes.</p> <p><b>When to use</b> LED is typically integrated after application of any of the Serum Absolut's</p> <p><b>Product companion:</b> All Serum Absolut's can be used with LED</p>
<b>Microcurrent</b>	<p><b>What it is:</b> Microcurrent is a low-level current that mimics the body's natural current. While also providing both instant and cumulative anti-aging results.</p> <p><b>How it works:</b> Microcurrent uses low-voltage electricity to stimulate muscle, adenosine triphosphate (ATP) cell growth, and collagen development in the dermis on the face.</p> <p><b>When to use:</b> Microcurrent is typically integrated at the end of the treatment before moisturizing.</p> <p><b>Product companion:</b> <b>PREP:</b> Alpine Rose Resilience Masque is a perfect product companion to use with Microcurrent.</p>
<b>Oxygen</b>	<p><b>What it is:</b> Oxygen infusion is a specialized skin therapy treatment designed to replenish the hydration levels in the skin while plumping and smoothing, revealing a restored youthful appearance.</p> <p><b>How it works:</b> It uses oxygen under pressure to deliver essential vitamins, botanicals, antioxidants, and peptides to the skin.</p> <p><b>When to use:</b> Oxygen infusion is integrated into the facial after removing the masque and applying serums and before oil or moisturizer.</p> <p><b>Product companion:</b> Oxygen Dermal Complex is designed for the Luzern Oxygen infusion. Serum Absolute</p> <p><b>POST:</b> Force De Vie Moisturizers</p>

MODALITIES	OVERVIEW
<b>Dermaplaning</b>	<p><b>What it is:</b> Dermaplaning is a non-invasive procedure performed by a skincare professional or trained esthetician. It aims to exfoliate the skin, remove fine hair, and promote a smoother, brighter complexion.</p> <p><b>How it works:</b> During a dermaplaning treatment, the skin is cleansed, and a surgical scalpel is used at a 45-degree angle to gently scrape the skin's surface. The scalpel removes dead skin cells, debris, and vellus hair, revealing a smoother skin texture.</p> <p><b>When to use:</b> Dermaplaning is typically integrated after cleansing and exfoliation.</p> <p><b>Product companion: PREP:</b> AHA   BHA Exfoliating Pads, The Sublime Oil. <b>POST:</b> All Serum Absolutes</p>
<b>Microdermabrasion</b>	<p><b>What it is:</b> Microdermabrasion is a non-invasive skincare treatment that exfoliates and rejuvenates the skin.</p> <p><b>How it works:</b> It uses a handheld device that emits tiny crystals or a diamond-tipped wand to gently remove the outermost layer of dead skin cells. The process also includes suction, which helps to vacuum away the exfoliated skin cells and stimulate blood flow.</p> <p><b>When to use:</b> Microdermabrasion is typically integrated into the protocol of cleansing and exfoliation.</p> <p><b>Product companion: PREP:</b> AHA   BHA Exfoliating Pads <b>POST:</b> All Serum Absolutes</p>
<b>Cryotherapy:</b>	<p><b>What it is:</b> Cryotherapy, in the context of skincare, is a treatment that involves applying cold temperatures to the skin. The cold temperature helps constrict blood vessels, reduce inflammation, and temporarily numb the area. It can provide various benefits for the skin, including tightening pores, reducing puffiness, soothing irritation, and promoting circulation.</p> <p><b>How it works:</b> Cryotherapy lowers the skin's temperature, causing blood vessels to constrict. This constriction reduces blood flow and inflammation in the treated area. As a result, it can help to tighten the skin, reduce redness, and alleviate discomfort. Cryotherapy can also stimulate collagen production and boost oxygen and nutrient delivery to the skin.</p> <p><b>When to use:</b> Pre-Facial, Post extraction, Post-peel treatment, Facial massage, Post Facial.</p> <p><b>Product companion: POST:</b> Rehydrate Serum, V15 Serum, Bio-Cellulose Masque</p>
<b>Microneedling</b>	<p><b>What it is:</b> Microneedling, also known as collagen induction therapy, is a skincare treatment that involves using a derma roller or a derma pen to create tiny, controlled punctures on the skin's surface. These micro-injuries stimulate the skin's natural healing process, triggering collagen and elastin production.</p> <p><b>How it works:</b> Microneedling creates controlled micro-injuries to the skin, stimulating collagen and elastin production. The tiny punctures also create channels that allow for better absorption of topical skincare products. The increased collagen and elastin help improve skin texture, reduce the appearance of scars, wrinkles, and fine lines, and enhance overall skin rejuvenation.</p> <p><b>When to use:</b> Microneedling is typically integrated into the protocol after extractions and to enhance penetration of serums.</p> <p><b>Product companion: PREP:</b> Oxygen Dermal Complex, Serum Absolute Rehydrate. <b>POST:</b> Bio Cellulose Masque</p>
