Located on the Eastern limits of Gironde river, this family estate produces wines in Côtes de Bordeaux. The vineyard is located on the hills and benefits from a favorable south/south-west exposition. In the fields below, Aquitaine Blond cattle happily share 75 Acres of more fertile grounds.

With the family's New Zealand heritage it was natural to produce a fresh, crisp, fruit-filled summer wine.

Château Lamarque is located in the Entre-deux-Mers region, dominating a large sunny hillside. The soil is composed of clay and limestone which give smooth, elegant, well balanced and very pleasant wines. Today, the 6th generation is taking over including the 3 siblings Marion, Nicolas and Thomas, who is also a track cycling world champion!

An elegant robe with intense colour, the wine opens with a bouquet of fruit and wood aromas that spring from the glass. The wine is generous with ample texture on the palate. Gorgeous vintage that needed some time to show its full potential. Aged for 12 months in barrels (30% new oak).

The grapes are harvested manually, then vinified with indigenous yeasts. Malolactic fermentation is carried out. The wine is then aged in old barrels for 10 months.

Vincent Nicolas is the 5th generation of winemaker on this property of 37 Acres located in the heart of AOC Saumur-Champigny. 7 wines are produced every year on this small estate with a desire to show the typicity of each plot and the influence of the winemaking on monovarietal cuvées (Cab. Franc for reds and Chenin for whites). The only blend produced is the Crémant, hand harvested and aged for 24 month sur lattes. Golden color, elegant nose with notes of grilled almond and white fruits (peach, apricot). Great alternative to Champagne for a sweet price.

The average yield of 45hl allows a good maturity and a regular quality over the years. The vinification is done in thermoregulated vats, regular punching down allows a good extraction of aromas and fruit. Clos La Coutale is aged in stainless steel vats and giant oak barrels for 8 to 10 months in order to obtain a good balance between tannins and fruit. Deep intense ruby color. Ripe fruit on the nose. Round and mellow in the mouth, this wine seduces with its fruit and well-matured tannins that bring persistence and finesse. Beautiful finish that is both harmonious and ample.
