Sterile Storage Systems

PAR STOR

Increase storage capacity by 30 - 45 % and regain your floor space.

- The wire design allows for better visibility of stored products and eliminates dust accumulation. Full extension ball bearing slides for easy access to products.
- Use Par Stor in combination with other systems such as Par Wall for a complete solution
- Par Cart welded carts are fabricated on a sturdy frame for ease of transport.

Par Cart

Single Par Stor Tower

PAR WALL

Par Wall is a modular system that offers superior product visibility and accessibility.

- Par Wall on Panels: 12" and 18" deep baskets on wall mounted panels
 - Par Wall on Frame: 18" and 24" deep baskets on a tubular steel frame on wheels
 - Par Wall on posts: 18" and 24" deep baskets on posts
- Can be mixed with conventional wire shelving
