NOBUKO DESIGN BY METTE DEGN

“Mette Degn understands how to apply her architectural background to functional, interior design. She has an admirable way of making strict minimalistic choices look easy and appealing. Mette Degn adds a contemporary sense of chic to home essentials - and it was a delight to collaborate with her.”

**Broste Copenhagen**

“I loved the challenge posed by the ambitious Broste team. I was invited to create a flatpack bookcase with no stabilizing cross at the back and multiple ways of repurposing the shelves. It is no easy feat, especially when the look also

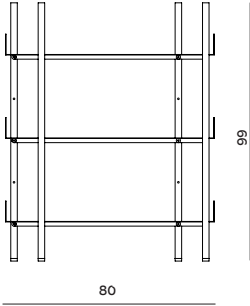

needs to be aesthetically pleasing. I am so happy with the final piece. It turned out beautifully, exceptionally flexible, and you can customize it to suit your exact personal needs.

Broste Copenhagen is known for functional designs that make it easy to organize your belongings and create meaning out of a pretty mess. I designed the organic-looking bookshelf and bookends with that endeavour in mind. I was inspired by the solid yet bendy structure of bamboo, which is resilient under pressure and elegant in its simplicity.”
