# Pond Chair

The Pond chair is of beautiful proportions, with a sturdy yet distinctive aesthetic that gives it an intimate and inviting look. The Pond chair is fully upholstered and has a clean silhouette inspired by a warm embrace.

The chair demonstrates the ingenuity of working with simple, curved lines that are equally pleasing seen from the back as the front. It is ideal for standing freely in a room to create a sense of a separate, enclosed area. The upholstered, curved backrest and sides retain the feeling of being cradled and supported while inviting complete relaxation.

The slimmed-down proportions make it perfect for smaller spaces such as apartments, hotels and workplaces.
