

# Material Safety Data Sheet Flexipads Backing Pads

Pages: 4

Compilation Date: 20/10/2018

Revision No: 1

# Section 1: Identification of the substance/mixture and of the company/undertaking

1.1. Product identifier

Product name: Flexipads backing pads. Abrasive backing disks for

grinding and sanding various materials

1.2. Relevant identified uses of the substance or mixture and uses advised against

1.3. Details of the supplier of the safety data sheet

Company name: Specialised Welding Products Ltd

Unit 1, Farringdon Industrial Centre, Farringdon

Nr Alton, Hampshire GU34 3DD, UK

**Tel:** +44 (0) 1420 588180 **Email:** sales@swp.uk.net

1.4. Emergency telephone number

**Emergency tel:** +44 (0) 1420 588180

(office hours only)

#### Section 2: Hazards identification

The products are not classified as hazardous products according to the Directive 99/45 EC.

#### Section 3: Composition/information on ingredients

The product does not contain any ingredients subject to labelling according to the Directives 67/548 EEC and 99/45 EC.

#### Section 4: First aid measures

**Skin contact:** Not harmful.

Eye contact:Not possible with shape of product.Ingestion:Not possible with shape of product.Inhalation:Not possible with shape of product.

### Section 5: Fire-fighting measures

5.1. Extinguishing media

**Extinguishing media:** Use water, powder extinguishers, foam extinguishers,

sand, CO2 as suitable for the surrounding fire.

5.2. Special hazards arising from the substance or mixture

**Exposure hazards:** Dangerous smoke can be released. Use protective

breathing equipment.

5.3. Advice for fire-fighters

**Advice for fire-fighters:** Wear self-contained breathing apparatus.

Section 6: Accidental release measures

Not Applicable

Section 7: Handling and storage

**Usage**: Observe instructions provided with grinding or sanding

machine.

Wear protective clothing while product is in use (See

section 8)

Follow all national regulations and workplace safety

recommendations.

#### Section 8: Exposure controls/personal protection

8.2. Exposure controls

**Respiratory protection:** Always use a dust mask of a quality class suitable for

the material being worked on.

**Hand protection:** Use protective gloves of a quality class suitable for the

material being worked on.

**Eye protection:** Use safety glasses of a quality class suitable for the

material being worked on.

**Hearing protection:** Wear hearing protection of a quality class suitable for

the material being worked on.

**Body Protection** Wear body protection equipment of a quality class

suitable for the material being worked on

## Section 9: Physical and chemical properties

9.1. Information on basic physical and chemical properties

State: Solid
Colour: Varies
Solubility in water: None

# Section 10: Stability and reactivity

10.1. Reactivity

**Reactivity:** Stable under recommended transport or storage

conditions.

10.2. Chemical stability

**Chemical stability:** Stable under normal conditions.

10.3. Possibility of hazardous reactions

Hazardous reactions: Hazardous reactions will not occur under normal

transport or storage conditions.

10.4. Conditions to avoid

**Conditions to avoid:** Extreme heat over 120°.

10.6. Hazardous decomposition products

**Haz. decomp. products:** In combustion emits toxic fumes.

Section 11: Toxicological information

Toxic Values: Not applicable.

Section 12: Ecological information

12.1. Toxicity

**Eco toxicity values:** No effect is known.

12.2. Persistence and degradability

Persistence and degradability: Non biodegradable.

12.3. Bio accumulative potential

**Bio accumulative potential:** No bioaccumulation potential is known.

Section 13: Disposal considerations

**Disposal operations:** Dispose of in accordance with local and national

regulations.

Section 14: Transport information

**Transport class:** This product does not require a classification for

transport.

Section 15: Regulatory information

The product is not subject of labelling according to the EC-Directives

Section 16: Other information Other information

Other information: This safety data sheet is prepared in accordance with

Commission Regulation (EU) No 453/2010.

**Legal disclaimer:** The above information is believed to be correct but

does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact

with the above product.
