**Form 990 - Organization's Mission**

Opportunity Village was founded in 1954 by seven dedicated, committed and loving families who were determined to give their children with disabilities the best lives possible. And now, 60 years later, Opportunity Village is one of the most recognized and respected Community Rehabilitation Programs in the United States. Opportunity Village has grown to become the largest private, not-for-profit community habilitation program in Nevada, serving nearly 3,000 people annually through vocational training, community employment, day services, advocacy and arts and social recreation. At Opportunity Village, people with disabilities are able to find new friends, pursue future career paths, seek independence and community integration and fulfil creative passions. Opportunity Village is Nevada's largest job provider for people with disabilities; know internally as OVIPs - Opportunity Village's Very Important People. Many of the OVIPs work at Opportunity Village's Employment Resource Centers and in jobs throughout the community. Primarily a self-funded organization, Opportunity Village generates the majority of its operational funding through its employment contracts and fundraising efforts through the Opportunity Village Foundation. Opportunity Village provided assessment, training and employment services to 1,357 youth and adults with disabilities in FY2015. Opportunity Village believes in informed choice and does not believe in a "one size fits all" philosophy. People with disabilities should be offered a range of opportunities, which is why a variety of options are offered. Opportunity Village offers a range of opportunities from which people with disabilities and their families can choose, consistent with their

strengths, interests and needs. The Job Discovery Program is a school-to-work transition program that offers high school seniors with intellectual disabilities, who are ready to graduate, the opportunity to experience a minimum of five different jobs for nine weeks each. Through the Job Discovery Program, the students get the chance to "try on" a career while experiencing jobs opportunities available to most high school students. Opportunity Village's Cleaning Crew employs people with disabilities to clean over 8 million square feet of government and commercial office space and parking lots at more than 27 locations throughout the Las Vegas valley. Contracts include Red Rock National Conservation Area, Federal Courthouses, the Clark County Government Center, City of North Las Vegas City Hall, McCarran Airport Terminals, McCarran Rental Car Center, Fox 5, Coca-Cola and MJ Christensen Diamonds. People with disabilities in Opportunity Village's PaperPros Document Management Division shred and recycle over 16 tons of confidential documents every day. They also scan more than 1.3 million documents per month, helping many local businesses transition into a paperless environment. OVIPs deliver the mail at Nellis Air Force Base, having received the security clearances necessary to handle all the confidential correspondence delivered to senior military personnel. Additionally, the OVIPs serve almost 229,000 meals every year through a food service contract at Nellis Air Force Base. The Opportunity Village Thrift Store provides retail training for OVIPs, including processing, merchandising, sorting, pricing, cashiering and recycling. Learning these skills provides OVIPs with the knowledge and skill necessary find work in a retail store. The Fine Arts Program allows the OVIPs creative talents to soar. A visit to the program is truly inspirational; featuring a highly talented group of people with disabilities overcoming their daily

challenges in a variety of ways through the arts. The program was designed to promote self-expression, social interaction, and the development of peer relationships. The Fine Art Program is a progressive visual arts studio that supports and gives artists with intellectual and related disabilities the opportunity to find and express creative passions. At Opportunity Village, they develop studio practice as working artists, building a body of work for exhibition and sale. Artists in the program create one-of-a-kind art pieces: drawings, paintings, embroidery, hand painted ceramics, silk scarves and ties. The Performing Arts Program offers classes in music, dance, and theatre, where individuals have a place to shine on the stage and share their passion for the performing arts. Classes are taught in individual and group settings with additional opportunities for individuals to perform throughout the year at Opportunity Village and other community special events. Opportunity Village's Cookie Crafters bake over 750,000 cookies per year in a state-of-the-art production kitchen. These cookies are served in employee dining rooms at the Venetian, the Mirage and other hotel casinos along the Strip. Additionally, cookies can be ordered through the Opportunity Village website, which come packed in designer cookie tins adorned with artwork created by artists working in the Opportunity Village Fine Arts program. Opportunity Village's Assembly Authority workers package and assemble a wide variety of items ranging from custom disposable cutlery packets to promotional packaging and from medical supplies to noise dampening material. OVIPs also assemble custom in-room coffee and condiment packets for all the properties operated by Caesar's Entertainment and in-room amenities for other hotel/casinos.

Total unrestricted revenues for Opportunity Village ARC were approximately \$29.3 million for FY2015, of which 31% was from government fee for service

revenue (e.g. Medicaid, RSA Section 110 funds, etc.) and 4% from the Clark County School District (Job Discovery Program). About 45% of revenue comes from contract revenue for baking cookies, delivering mail, cleaning facilities, etc. and 16% is fundraising income from the people of southern Nevada and contributions from the Opportunity Village Foundation. The remaining 4% is from grants and the sale of assets. Opportunity Village also uses Medicaid Home & Community-Based Services (HCBS) waiver to provide services to some of the most severely disabled adults in Nevada.

Opportunity Village paid almost \$3.9 million in wages to people with intellectual disabilities in FY2015. Opportunity Village found community employment for 68 people with disabilities in FY2015. People with disabilities gain independence and self-esteem from working, and they reduce their dependence on other benefits. These individuals receive tangible and intangible benefits from working. People with intellectual disabilities want to be able to live, work and play in their community. Opportunity Village needs to assure they have good quality services to enable them to succeed.
