## G'day Folks...

Every year as part of our Christmas catalogue it's become traditional to give you a bit of an update on our family and on Charlesworth Nuts. It's just our way of trying to connect with you, family to family.

Over the last 10 years or so we have shared the news about the start of our 5th generation... **Jayde** the first girl born into the Charlesworth family in over 90 years. Then with the drought broken 4 more gorgeous girls followed year by year, catalogue by catalogue ...**Ariya, Eloise, Alara and Willow**.

Now breaking news for the 2023 catalogue, the 6th star of our 5th generation has arrived...a boy this time named **Thomas**. How lucky is he.

We told you about the retirement of my brother **Mark** in 2021, after he and I had worked shoulder to shoulder for over 40 years, as the 3rd generation, to build Charlesworth Nuts.

And how the next generation, my wife **Sue's** and my 3 sons **Rhys, Kain and Liam**, continue to work in the business with Kain now stepping up as the 4th generation leader.

We also let you know last year about the passing of the 2nd generation matriarch of Charlesworth Nuts, our mother **Joy**, at the ripe old age of 96. Very sadly since then, in December last year Mark's wife **Lisa** also passed away, at only 57. Mark and Lisa met and fell in love at Charlesworth Nuts and then Lisa went on to work in the company for over 30 years. We miss her deeply.

Our family story is so typical of most family stories, as we all circumnavigate the circle of life, and all the incredible highs and devastating lows that happen along the way. Amongst it all, family is everything.

Charlesworth Nuts is full of over **300 amazing people** with their own family stories of highs and lows. Our common goal is to make **mouthwatering nuts and chocolates** and **stunning gifts** that thrill and delight you and your families...and to have some fun and look after each other along the way. We are so grateful to all these incredible people.

**And we are so grateful to you**, for your support yet again. Whatever your own family story is this year, we truly hope that Christmas brings you together...brings you fun and laughter...brings you joy and comfort...and brings you hope and love.

Early next year **Charlesworth Nuts celebrates 90 years** as a South Australian business, and we're so proud to say that our 11 Shops as well as our Factory where the magic starts, are all still family-owned. And looking at the 5th generation, they'll be family-owned for the next 90.

*Merry Christmas*
