Weight: GW 0.82KG

Operational Environment: Temperature 0-45°C(The best:20-30°C)
Humidity 40%-60%RH

M6

Handheld smart
inkjet printer

Thermal inkjet
300dpi High resolution printing
Removable battery

MAIN ADVANTAGES

01 Intelligent

Embedded intelligent operation system.
4G System Memory, save more than
100,000 messages.

02 Portable

Fashionable and portable, easy to carry.
Battery is removable, ultra-long
standby time.

03 Low Cost, High Performance

New and updated inkjet engine, low cost
and high quality printing performance.
With original imported ink, suitable for
all kinds of materials and industries.

04 Industrial Design

Resistive touch screen, Anti-interference
and durable.
Leading industrial design,
more ergonomic.

05 Worry Free

Simple operation, non-maintenance.
One year free warranty and lifetime
maintenance.

06 Efficient

360° omnibearing printing with both
of handheld & online.
Support online editing directly,
without computer connection.
