

Assembly Instructions For The Hickory Bar Table

Parts List:

Table Top (1)
Table Base (1)

Hardware:

1/4" x 1-3/4" Bolts (2)
Allen Wrench (1)

Step 1 Set the table base upright on a level surface.

Step 2 Put the table top on top of the table base, lining up the predrilled holes on the base with the predrilled holes in the frame underneath the table top. Take the 1-3/4" bolts and insert in the predrilled holes and turn into the inserts in the base. Tighten with the allen wrench.
