

# Assembly Instructions

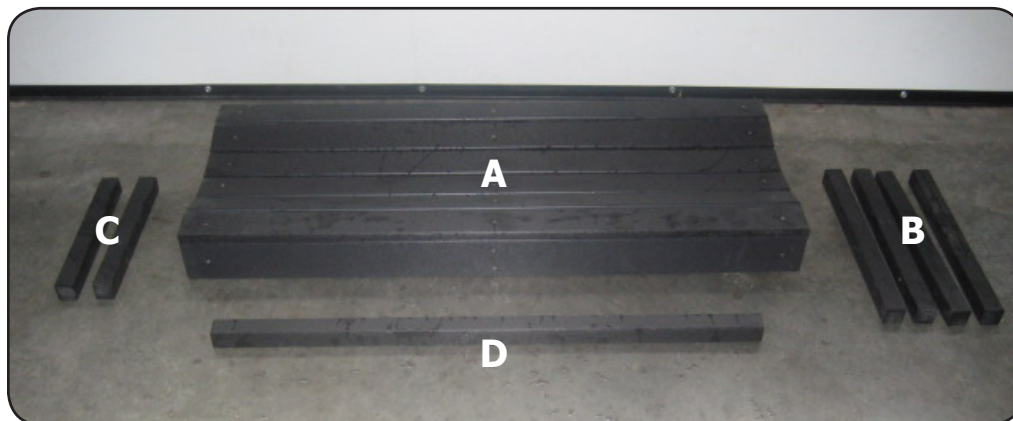

## LCC-224 Vineyard Bench

### Required Tools:

- Cordless Drill
- #2 Square Drive Bit

### Hardware:

- (8) 2 1/2" Screws
- (6) 3" Screws

### Step 1

Lay bench seat (A) upside down on a soft surface and fasten 4 legs (B) to the inside corners with (8) 2 1/2" screws into the seat support. Make sure pre-drilled holes align for step 2.

### Step 2

Fasten leg supports (C) on both sides with (4) 3" screws where pre-drilled holes are located. Make sure pre-drilled holes align for step 3.
