

Assembly Instructions: Poly Hampton End Table & Coffee Table

Tools Needed:

- 7/16" Wrench or Socket

Parts List:

- 1—Table Top
- 4—Legs

Hardware List:

- 8 - 2¼' Bolts
 - 8 - Flange Nuts
-

Step 1: Lay the table top upside down on a clean surface.

Step 2: Place the four legs inside the table skirt. Align the pre-drilled holes in the top of the legs with the pre-drilled holes in the table skirt. Insert the bolts through the skirt, in through the legs and put a flange nut in the inside. Tighten with a 7/16" wrench or socket
