# ExhibitPRO9™ POS Film - 9 mil

## ■ satin 3139

3139 ExhibitPRO9™ is the newest generation of polyester rollup films from Sihl. The improved satin instant dry coating is designed for maximum print density and durability with the latest generation aqueous inkjet printers. The gray backside provides 100% opacity to prevent showthrough and wash-out colors. The durable polyester construction is engineered to withstand repeated rolling in portable display units without tearing or edge fraying, making it the ideal media for tradeshow, retail and other point-of-purchase displays.
