CATSKILLS INSPIRED

WILDLIFE: [WAHYLD-LAHYF] - N.

undomesticated animals living in a state of nature;
not tamed or domesticated:

Nestled just a few hours north of New York City, you will find a landscape full of rolling hills, sloping mountains, hidden waterfalls, lakes, and ponds. This enchanting place is known as the Catskills.

Generations have considered the Catskills a sanctuary for the arts, a destination for music, and an outdoor adventurer's dreamland.

Whether a lifelong resident or a weekend visitor, beings from all walks of life make their home in the Catskills region.

The Catskills are truly a magical place where man and nature coexist in harmony.

This area has inspired us, and we hope to pass that inspiration on to you. Enjoy the Wild Life.
