### Cannabinoid Analysis

### Heavy Metal Analysis

Performed in accordance with the requirements of ISO/IEC 17025. Not Detected = concentration is under Detection Limit.

| Symbol | Element | Detection Limit [µg/kg] | Use Limits [µg/kg] |           | Results      |
|--------|---------|-------------------------|--------------------|-----------|--------------|
|        |         |                         | All                | Ingestion |              |
| As     | Arsenic | 4                       | 200                | 1 500     | Not Detected |
| Cd     | Cadmium | 1                       | 200                | 500       | Not Detected |
| Hg     | Mercury | 2                       | 100                | 1 500     | Not Detected |
| Pb     | Lead    | 2                       | 500                | 1 000     | Not Detected |

### Microbiological Contaminants

Performed in accordance with the requirements of ISO/IEC 17025.

| Symbol | Parameter                               | Results      |
|--------|---|--------------|
| AC     | Total Aerobic Bacterial Count           | Not Detected |
| CC     | Total Coliform Bacterial Count          | Not Detected |
| EB     | Total Bile Tolerant Gram Negative Count | Not Detected |
| YM     | Total Yeast & Mold                      | Not Detected |

### Pesticide Analysis

Analyzed for pesticides using Liquid Chromatography with Mass Spectrometric detection (LC/MS/MS). Method used for sample preparation based on EN 15662.

| Parameter             | CAS         | Detection Limit [ppb] | Limits [ppb] | Results      |
|-----------------------|-------------|-----------------------|--------------|--------------|
| Abamectin             | 71751-41-2  | 0.2                   | 10           | Not Detected |
| Acequinocyl           | 57960-19-7  | 0.5                   | 10           | Not Detected |
| Bifenazate            | 149877-41-8 | 0.01                  | 10           | Not Detected |
| Bifenthrin            | 82657-04-03 | 0.11                  | 10           | Not Detected |
| Chloromequat chloride | 999-81-5    | 0.09                  | 10           | Not Detected |
| Cyfluthrin            | 68359-37-5  | 0.5                   | 10           | Not Detected |
| Daminozide            | 1596-84-5   | 10                    | 10           | Not Detected |
| Etoxazole             | 153233-91-1 | 0.01                  | 10           | Not Detected |
| Fenoxycarb            | 72490-01-8  | 0.07                  | 10           | Not Detected |
| Imazalil              | 35554-44-0  | 0.03                  | 10           | Not Detected |
| Imidacloprid          | 138261-41-3 | 0.06                  | 10           | Not Detected |
| Myclobutanil          | 88671-89-0  | 0.03                  | 10           | Not Detected |
| Paclobutrazol         | 76738-62-0  | 0.05                  | 10           | Not Detected |
| Pyrethrin             | 8003-34-7   | 0.06                  | 10           | Not Detected |
| Spinosad              | 168316-95-8 | 0.01                  | 10           | Not Detected |
| Spiromesifen          | 283594-90-1 | 0.01                  | 10           | Not Detected |
| Spirotetramat         | 203313-25-1 | 0.01                  | 10           | Not Detected |
| Trifloxystrobin       | 141517-21-7 | 0.02                  | 10           | Not Detected |
