INSTRUCTION MANUAL

BACK BAR COOLERS

Thank you for choosing this Rhino appliance. It is essential that you read these instructions carefully and keep essential maintenance routines. Failure to observe the instructions is unsafe and will also invalidate the guarantee.

4. 0 IN THE EVENT OF A MALFUNCTION

- In the event of a malfunction, please be sure only to use a suitably qualified, competent and skilled refrigeration service engineer and insist upon genuine Rhino parts. If the appliance is under guarantee, please call the company from whom you purchased the appliance. Always have the serial number to hand. The serial number is located on the inside wall of the refrigerated compartment. It is often accompanied by, or located next to, a bar code.

5. 0 DISPOSAL AT END-OF-LIFE

- This appliance contains flammable refrigerant within its sealed system and also within the insulation foam. It must be recycled by a professional, competent, authorised and regulated organisation with expertise in the handling of refrigeration appliances. For further information, please consult your local Authority.
