Welcome to the world of

LONDON

A World Less Ordinary

Welcome to the world of Temperley x Romo, a partnership that sees two curators from the realms of fashion and interiors come together: iconic British designer *Alice Temperley* MBE, known for her *bohemian aesthetic* and vivacious personality, and *Emily Mould*, Director of Design & Excellence for The Romo Group.

Alice's eponymous label, Temperley London, has seduced a tribe of loyal devotees with its *timeless silhouettes* and *exquisite craftsmanship*. The next chapter of the Temperley story transforms exquisite fashion pieces into interior masterpieces, in a *dreamlike collection* of fabrics, wallcoverings and trimmings.

Journey down a rabbit hole to a mystical land of maximalism where *the only limit is your imagination*.

“The collection embodies the true essence of my brand - the colours, the romance and the craftsmanship.”

Alice Temperley, MBE

“With a mixture of techniques, rich patterns and textures, the designs capture a ‘British eccentricity’ which is unique to Temperley London.”

Alice Temperley, MBE

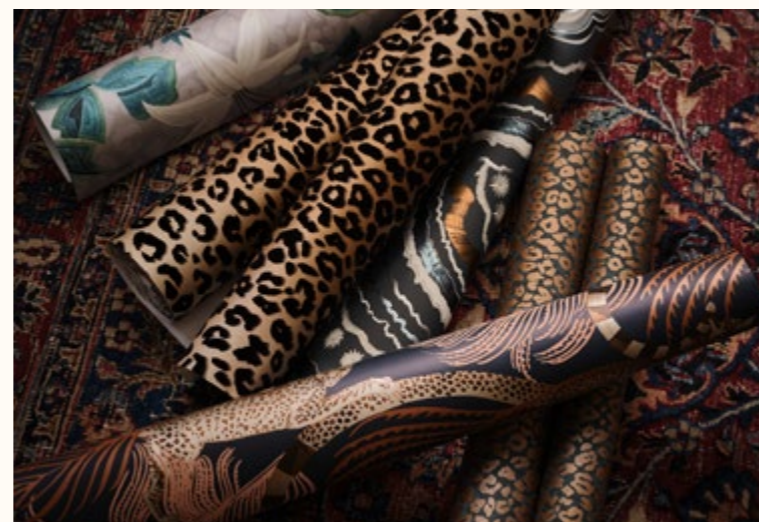

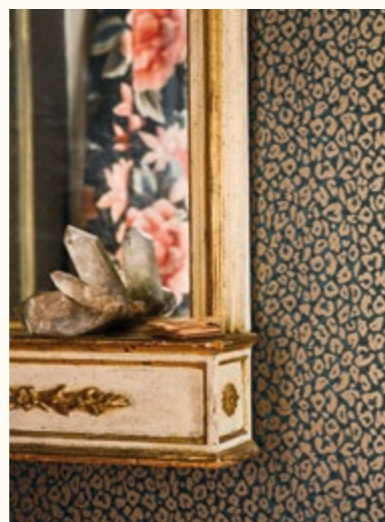

"The Temperley archive is a treasure trove of beauty. Bringing such magnificent designs to life as interior qualities has been a real joy."

Emily Mould, Director of Design, Romo

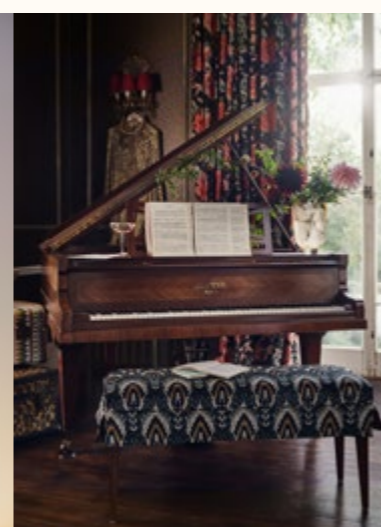

A Life Less Ordinary

With a sense of *rebelliousness* and *carefree individualism*, Alice is a strong female force who remains true to her *free-spirited self* and *nonconformity*, harnessing an unwavering brand identity.

Born in the picturesque countryside of Somerset, Alice's exuberant personality transcends her fashion into her home, Cricket Court. *A place of wonder*, from the first turn of the key it is apparent this is a home like no other. Steeped in history dating back to the 18th-century, Cricket Court is a building of outstanding architectural beauty. Complete with an enveloping library, seemingly never-ending staircases, secret rooms and a disco ball bathtub, Alice has made her mark on this unique, historic home. Today, the house is swathed in *decadent designs* from the Temperley London x Romo collection, creating an *immersive escape* from the moment you enter.

"I hope that people feel like they have a piece of treasure when they invest in designs from this beautiful collection."

Alice Temperley, MBE

Cushions & Trimmings

Inspired by the burgeoning apothecary drawers of the Temperley studio, a haberdashery of *bohemian trims* and *luxurious cushions* elevate all that they adorn.
