FireKing

In store operations, you need a secure environment for your cash. This safe provides the capabilities you need to protect your assets with features tailored to the needs of retail operations. The mail-box drop slot allows staff to make deposits directly into the top compartment with an anti-fish mechanism to prevent unauthorized removal of safe contents. The safe comes with a programmable electronic lock that limits access to those who need it. With its heavy $\frac{1}{2}$ " steel door, $1\frac{1}{4}$ " diameter locking bolts and drill resistant hard plate coupled with outstanding customer service provides you the capabilities and confidence you are looking for.
