

Taking your measurements

Please follow the video instructions available on our website: boomblush.com/how-to-take-measurements

All measurements should be taken in centimeters.

| | |
|--------------|--|
| Your name | |
| Phone number | |

| | Your measurements |
|---|-------------------|
| 1. Above bust. Measure all the way around your torso immediately above your bust. | |
| 2. Bust. Measure around the fullest part of the bust. | |
| 3. Under bust. Measure around your body directly under your bust, where your bra underwire sits. | |
| 4. Waist. Measure around the smallest part of your torso. | |
| 5. Shoulder to waist front. Measure from the top of the shoulder at the neck to the waist at the front, over the bust. | |
| 6. Back waist length. Measure from the most prominent bone at the base of neck to the natural waistline. | |
| 7. Waist to floor without heels. This measurement is taken from the waist to the floor without heels. | |
| 8. Bicep. Measure around the fullest part of your arm. | |
| 9. Sleeve length. Measure from your shoulder to just past your wrist bone. | |
| 10. Hips. Measure around the fullest part of your hip. | |
| 11. Height. Your height without heels. | |
| 12. Heel height. Your wedding heel height. | |
