AR-20

Adhesive Stripper

GENERAL DESCRIPTION

AR-20 is a specially formulated adhesive stripper. AR-20 will break-down and liquefy solvent and water-based adhesives. AR-20 is an excellent cleaner for the removal of pallet or belt printers adhesives. AR-20 will instantly remove adhesive residue left behind from tape. AR-20 is emulsion and capillary film safe, making it ideal when removing tape and cataloging your screens. AR-20 is excellent for cleaning up over-spray from aerosol adhesives. AR-20 can be used to clean adhesive build-up on printing presses.

Quick Tip:

**For Best Results:
Use a plastic
scraper or putty
knife to quickly
scrape and remove
dissolved adhesive.**

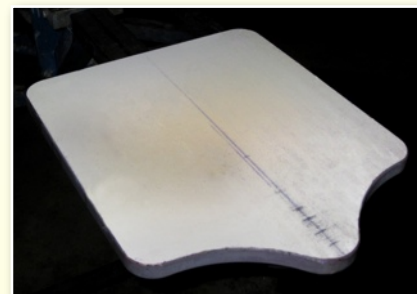

ADVANTAGES

- **Easy to use**
- **Fast acting**
- **Low odor**
- **Mesh safe**
- **Emulsion safe**
- **Quickly dissolves Solvent-Based adhesives**
- **Quickly dissolves Water-Based adhesives**
- **High Load capacity to reduce usage**
