U-40 N

12" cleaning path

U-90 N

16" cleaning path

ENDURANCE[®]

- ▶ *Low maintenance design-easy access to belt and brush roll for quick servicing.*
- ▶ *Quick change pigtail / line cord on U-80 & U-90.*
- ▶ *Powerful twin ball bearing motor.*

* Applies to all Zipper models with HEPA bags.

Don't compromise, *get the best!*

Available in any of the following options:

To use an F&G bag just slide sleeve over the connector on the bottom of the unit and secure.

To use an "A" Type bag just insert connector into the bag.

Rugged Construction

- The 125 CFM open fan design reduces the risk of motor burnouts.
- Rugged twin ball bearing construction for longer brush roll life.
- Ultra tough lexan fan.
- Two exclusive metal cord hooks.

Easy to operate

- Lightweight.
- Non-marking bumper guard protects furniture and walls.
- Large wide rear wheels for easy maneuverability.
- On-off switch activated by putting handle into operating position.

Superior cleaning performance-fast deep cleaning

- Double helical Dupont® nylon bristles arranged to efficiently pick up difficult objects like hair and strings.
- Edge cleaning on both sides gets tough dirt along baseboards.
- 4 position carpet adjustment.
- Ideal for hotels, restaurants, offices and much more.

Simple maintenance

- No tools needed for quick service.
- Motor can be replaced by removing only 4 screws.
- No tools required to access belt and brush roll for quick servicing.
- Low cost service.
